

Chad Ferman

About me:

I have coached with AJAA (now Avon Youth Sports) for the last 5 years! As a Volleyball Coach, I have watched my daughter grow from elementary school to an incoming Freshman next year. Where has time gone?! Coaching has always been a passion of mine, and I've been rewarded many times over watching the athletes grow and gain confidence. We have had some amazing Volleyball Commissioners come before me, so I know I have very large shoes to fill. I have learned so much from the players, other coaches, and prior Commissioners that I am ready for the challenge! Professionally, I serve as an Agency Manager for Indiana Farm Bureau Insurance, managing a team of 21 sales professionals across Hendricks, Morgan, Owen, and Putnam Counties. Outside of coaching, I also volunteer as a mentor for the Youth Leadership Hendricks County program!

Meet our
Volleyball
Commissioner!
