

Do you know of a company that is interested in helping kids **AND** get Advertising or marketing exposure? If so, our **Kick-In-4Kids Annual Campaign** is the perfect opportunity!

It is our goal that every kid in our community that wants to play soccer, can play with us, regardless of financial limitations. To help meet this goal, we are asking for your help. Soccer teaches important life skills that benefit all participates and the community at large. All funds contributed will go directly for scholarships for those families in financial need.

There are two ways to give: Corporate Sponsorship and Individual Giving. Below is the outline for the Corporate Sponsorship. In a future post, we'll go into detail how families or individuals can may make a contribution to the KIFK campaign.

SPONSORSHIP LEVELS:
