"My family is struggling with online learning - what can I do?"  
"My child is feeling isolated and lonely - how can I help?"

Children's Hospital Colorado

# COPING WITH COVID

## PART 2: RETURN TO LEARNING

### FACING OUR CHILDREN'S CHALLENGES WITH ONLINE LEARNING, FOCUS & MORE

**Host: Jessica Hawks, Ph.D.**  
Clinical Child & Adolescent Psychologist & Clinical Director, Pediatric Mental Health Institute  
Children's Hospital Colorado

The challenges of the pandemic aren't over yet. We at Partners In Pediatrics & Children's Hospital Colorado hear your concerns, and we are excited to bring you some coping skills to help you and your family adjust to an unprecedented and challenging approach to schooling this fall.

**Thursday, 10/29 | 6 PM - 7 PM**  
**FREE on Zoom**

To join: Scan QR code below or go to [qrco.de/chocpip](https://qrco.de/chocpip) | Password is **CHCO**

Partners In Pediatrics panelists (most are parents themselves) will join Dr. Hawks to answer your questions after her presentation!
