

Adopt a Family Holiday Program

The generosity of this gift is felt where it counts the most, in the heart of a child.

What is Adopt a Family?

The Adopt a Family program is designed to help Children's Hospital Colorado families who are in need during the holiday season. Donors decide the size of the family they wish to sponsor and the number of families.

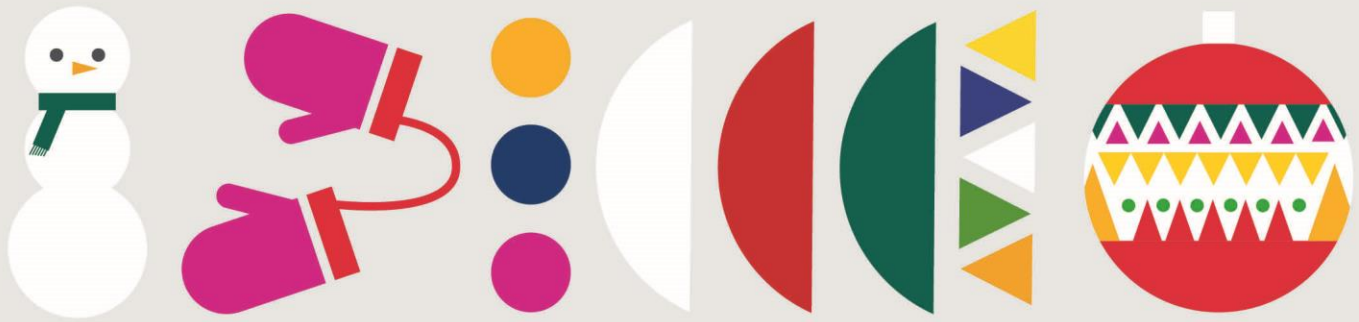

Generosity such as yours contributes to making the holiday season more bearable for our families in need. As a non-profit institution, Children's Colorado depends on the generosity of the community to help meet the needs of our patients and their families.

Important information for donors:

- Due to COVID-19 restrictions, we will not be able to accept physical gifts this year. We will only be able to accept gift cards that will be mailed to a secure mailbox at the hospital and then we will distribute to the families.
- DEADLINE: Gift cards need to be mailed in no later than November 15th, 2021. This will allow us to mail out the gift cards to families in time to allow them to shop for gifts before the holidays.
- All gift cards must be brand new. We are not allowed to accept ANY used gift cards due to infectious disease and liability purposes.
- When choosing your family size please note that you should have a \$100 minimum, per person, budget in mind and we are suggesting a \$100 allotment for groceries so families can purchase a holiday meal (this can be in the form of a grocery store gift card or visa gift card). Example: Adopt a family of 4 = \$400 minimum + \$100 grocery gift card = \$500 total budget.

Mailing instructions for gift cards on next page.

Please mail all gift cards to the following secure mailbox at Children's:

Didi Ochoumare & Brittany Schilling
Children's Hospital Colorado
13123 E 16th avenue
B-220
Aurora, Co 80045

It is important that you include "B-220" under the address to ensure it gets to our mailbox. We highly suggest that you send the gift cards via FedEx or Certified Mail to avoid loss.

Thank you so much!

Please feel free to contact me with any questions or to adopt a family! Thank you for your continued support of Children's Hospital Colorado's patients and families.

Brittany Schilling, Corporate and Community Relations Specialist
