

**Navigating College Funding - Wednesday, 8/26 from 12 - 1 pm MDT.**

Real Colorado EDGE is excited to offer a FREE webinar with CollegenInvest.org, a local non-profit, to give our members access to information and resources that go beyond the pitch. Whether you already have 529s for your children or haven't started saving, this webinar is for you. Learn how you can position your family to help cover the cost of college during this free webinar offered by CollegenInvest.org on **Wednesday, 8/26 from 12 - 1 pm MDT.**

Additionally, all participants will receive \$25.00 to open a new college savings account at CollegenInvest.org.

This webinar covers 529 basics including plan types, general and state tax benefits, qualified and non-qualified distributions, impact of COVID on 529's, and an overview of the new laws for K-12 tuition and Student Loan Payback. Learn how to use 529s in conjunction with financial aid. Ask the expert your questions on paying for college and choosing the best financial aid approach.

Space is limited! [Click Here to Register](#)

Brennan Hannon from CollegenInvest will help you understand and navigate the sometimes overwhelming world of college savings and planning. Come with your questions from financial aid to how to save for multiple children. After registering, you will receive a confirmation email containing information about joining the webinar.
