Upon Bel Passi Baseball receiving your sponsorship form and payment, you will be provided the contact information via email for the local company who will manufacturer the fence sign. Your company representative will work with the sign manufacturer to ensure the sign meets the sponsors' expectations. Bel Passi Baseball will pick up completed signs and arrange for placement during the next available volunteer field workday. Signs will remain attached to the bleachers for the duration of the 2021 Bel Passi Baseball season. At the end of the 2021 season the signs will be removed and will be available for pick-up upon request.
