Baseball Buddy Logging In/Creating an Account

Create an Account

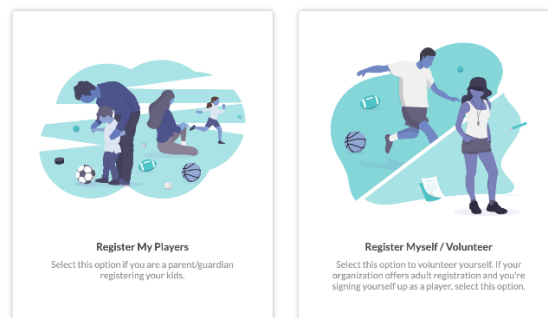

Go to www.masonryouth.org and click **Registration** (top right of page) to create an account.

Add the appropriate information and click "Create Account".

The screenshot shows the 'sports connect' registration form. It includes fields for 'Email Address', 'Create Username', 'Password', and 'Confirm Password'. Below these fields is a blue 'Create Account' button. At the bottom, there is a link that says 'Already have an account? Login here!' and a small disclaimer about the organization's privacy policy.

If your username/password combination is accepted, you'll see the screen below. Select the image on the right to register/volunteer yourself or select the image on the left to register a participant for a program.

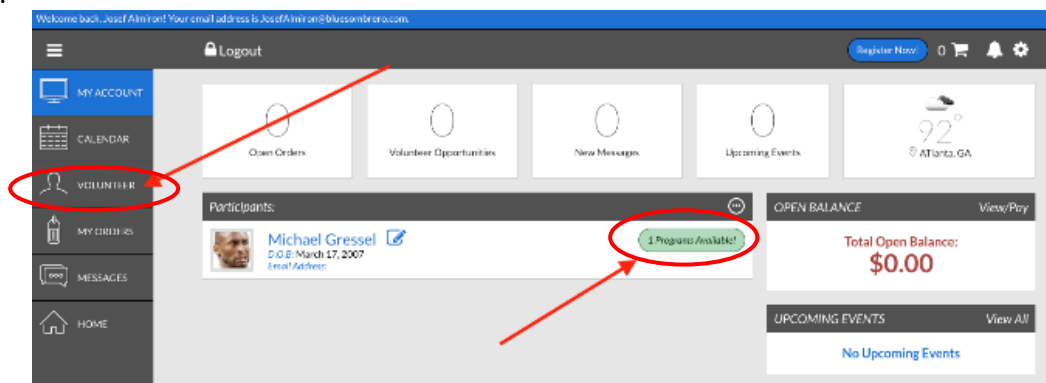

Fill out the [Account Holder Information](#) section. If you wish to add an Additional Parent/Guardian, enter their information and click Invite Account User and Continue. If not, leave the area blank and click Continue. Now that your account has been created, continue to Registering Myself/Volunteer.
