# Sports Team Party Package

The Canyon Grill and Alehouse is a family and dog friendly restaurant and bar that does a lot to give back to organizations that help our Future leaders. Because your organization is making the world a better place, we will not charge for the space and make our money on food and drink.

We are very excited that you are evaluating our large space for your team party. We have 2400 SQFT inside and 3400 SQ FT outside in the courtyard. We have Tents, firepits, misters, fans, cornhole and games.

We understand that this is a very important occasion and are committed to giving our utmost attention to make this a very memorable and stress-free day. To make the night flow smoothly, we do ask that team's preorder the food and have delicious options for everyone to choose from. With the number of people arriving at once and the size of our kitchen, we do ask that as many people, including parents, where possible, preorder from this special TEAM Menu. For those unable to order

something from this Team Menu due to allergies, the full bar and full menu will be available. However, the order will come out as part of our normal service and could be much slower depending on the number of people in the restaurant. You can preview the full menu here: <http://thecanyonfolsom.com>

### **Order Process**

To make this easy for everyone, we will coordinate the ordering for you. Once we lock in a date, we will provide an online form specific to your team(s) and will provide the numbers periodically to the team parent.

### **Event Day**

Food will be served in a buffet style format. When each family arrives and pays for their order, they will be given a receipt. Take the receipt to the buffet table and the cook / server will provide you with the food that was ordered. This is subject to change depending on the number of team members.

### **Payment**

We do prefer that one person prepay for the entire team's order and can receive payment using venmo, check or Credit Card. This makes it very easy on event day since it is then prepaid. However, we can discuss how to best do this based on your team structure and make it easy for you. We can also create a tab by player for the parent / child to close on event day.

Tax (7.75%) and auto-gratuity (18%) will be added to the bill or tab.
