APPLICABILITY OF REGULATIONS AND PLAYING RULES

Hermosa Beach Little League, Inc. (“HBL”) is a non-profit local league that operates under a charter granted annually by Little League Baseball, Incorporated (“Little League, Inc.”), a non-profit membership organization with its international headquarters in Williamsport, Pennsylvania. HBL is operated exclusively by volunteers who serve as members of its Board of Directors (sometimes referred to herein as the “Board”), Officers, League Officials, and Coaches pursuant to the HBL By-Laws and Charter.

This Booklet contains the Official Regulations and Playing Rules for HBL. **These local rules are intended to supplement, and not replace or contravene, the Official Regulations and Playing Rules of Little League, Inc. for Baseball. To the extent there is a conflict between the HBL rules and regulations and the Little League, Inc. rules and regulations, it is HBL’s policy that these rules and regulations will govern.** These rules and regulations have been approved by the HBL Board of Directors pursuant to the HBL By-Laws and may not be amended, modified or disregarded without approval of the HBL Board.

All games played between HBL teams will be played in accordance with the regulations and playing rules of HBL and Little League, Inc. Except as permitted in regular season, coaches shall not agree to waive or modify any HBL regulations or playing rules.

All non-tournament baseball games between HBL teams and teams, played in Hermosa Beach, from other Leagues in District 36 (Co-Play games) will be played in accordance with these rules pursuant to agreement with those leagues.

All non-tournament baseball games between HBL teams and teams from other Leagues in Districts other than District 36 will be played in accordance with the Little League Inc. rules and regulations, and the local rules of the host local little league.

2026 HBLL OFFICIAL REGULATIONS

I. Formation of Teams

A. Leagues, Teams, Player Ages and Selection of Players

1. Little League age is determined by the rules and regulations of **Little League, Inc.** For baseball and T--- Ball players, the player's league age is determined by guidelines created by Little League International. The Player agent shall determine the members of the placement committee (the "Placement Committee")
2. The Junior Baseball Leagues are competitive leagues for players ages 13---14 that are formed by a draft of players from the eligible pool supplied by the Player Agent. The Player Agent and Junior Commissioner shall determine the number of players on a team.
3. The Major Baseball League is the regular Little League program. Each team shall include a maximum of eight 12 year olds, unless the Vice---President of Baseball and Player Agent determine that additional 12 year old players should be allowed due to the make---up of the player draft pool. The minimum age for a Major League player is 11 years old. A team shall consist of 10---12 players and the teams shall be drafted from the pool of eligible players provided by the Player Agent. Unless approved by the Player Agent, the player shall have completed a spring season in Triple A or an equivalent league. All 12---year---old players will be placed in Majors unless otherwise requested by the family and approved by the HBLL President and District. 11-yr old players will participate in a tryout to determine whether or not their skill level warrants playing in Majors or remain in AAA.
4. The Triple A Division is a minor league operated by and in conjunction with the regular Little League program. Each team shall consist of 10 to 12 players, aged 10 to 11, and the teams shall be drafted from the pool of eligible players provided by the Player Agent. Unless approved by the Player Agent, the player shall have completed a spring season in Double A, Triple A, or an equivalent league.
5. The Double A Division is a minor league introducing young athletes to the skills of pitching and hitting a ball. Each team shall consist of 10 to 12 players, ages 8 to 10. The exact number shall be determined by the Player Agent depending on the number of players registered in a given year. Double A teams are formed by a draft from the list of eligible players provided by the Player Agent.
6. The Single A Division is an instructional league, which introduces young athletes to the skills of hitting a pitched ball. A pitching machine is utilized. Each team shall consist of 10 to 12 players primarily ages 7 and 8. Single A teams are formed by a draft from the list of eligible players provided by the Player Agent.

2026 HBLL OFFICIAL REGULATIONS

Formation of Teams (continued)

7. The Rookie and T---Ball Divisions are instructional leagues that introduce young athletes to the game of baseball. Each team shall consist of approximately 7 to 10 players primarily ages 5 (T---Ball) and 6 (Rookie). The difference in divisions is that in Rookie, a coach, from a knee, pitches the ball while in T---Ball, the ball is hit off of a tee. The exact number of players shall be determined by the T---Ball Commissioner depending on the number of players registered in a given year.

B. Tryouts

1. All participants aged 7 to 14 who did not play in HBLL during the prior spring season must attend tryouts as announced and scheduled to become eligible to play on a team unless excused by the Player Agent for valid reasons. Tryouts are not held for players playing T---Ball and Rookie unless the Player Agent determines a tryout is appropriate to assess the applicability of the circumstances described in D.3 below.
2. After official tryouts, only the Player Agent, Commissioners, or HBLL President may individually try out a player for a team.

C. Drafting

1. All players aged 7 to 14 are eligible for a draft for each of the respective divisions. Drafts are not held for T-Ball or Rookie divisions.
 - i. Exception #1: The Player Agent may honor parent requests to remove their child from a particular league's draft if sufficient willing players are still available to fill the teams, and if, in the opinion of the Player Agent, the player is not over---qualified or under---qualified to play at the requested level.
 - ii. Every effort will be made to honor a Head Coach's selection for his or her assistant coach whose child will be excluded from the draft roster. The President, Player Agent, or Division Commissioner may deny any such request on the basis that a particular request is not in the best interests of the league due to competitive imbalance considerations. It is up to the discretion of each Commissioner, guided by the League President and Director of Baseball Operations, to decide how best to compensate other division teams in the draft for allowing this draft exemption.

2026 HBLL OFFICIAL REGULATIONS

Formation of Teams (continued)

- iii. Parent requests shall positively not include a choice of specific teams for their player, although in extreme cases, they may request avoidance of a specific team or coach by submitting this request in writing to the President of the Hermosa Beach Little League. The decision to honor or not to honor player placement requests from parents shall be made by the Player Agent and the President.
 2. Rules for the drafting of siblings are as follows:
 - i. Once the first of siblings is drafted, the other (or others) is immediately assigned draft rounds based upon ability, tryouts, and historical performance. This assignment shall be determined solely by the Player Agent (or his/her representative), and it shall be declared before any further draft choices are initiated. The sibling (or siblings) must be taken in the round assigned. Should the drafting coach disagree with the round assignments, he may return his initial sibling's name to the draft and take another player.
 - ii. Sibling rules do not apply if parents specifically waive the rights granted by the rules; that is, these siblings shall be drafted individually.
 3. Players who missed tryouts and have not played in the League are not eligible for the open drafts. However, if in the opinion of the Player Agent, some of the players are over qualified to play at the lower levels, they shall be distributed to teams by an appropriate method as determined by the Player Agent.
 4. Prior to the draft, the Player Agent shall attempt to determine the exact, current draft status (eligibility and willingness) of all players, and provide notice of status to all coaches. Changes in status not generally known to all of the drafting coaches shall not be allowed.

D. Makeup of Non-draft Leagues (Rookie and T-ball)

1. Teams will be balanced in strength in terms of batting ability, fielding ability, gender and ages to the maximum extent practical.
2. Makeup of teams shall be the responsibility of the respective Commissioners. There is no draft by coaches. Special requests to put a player on a team with a particular coach or player will be considered but there is no guarantee that the request will be accommodated.

2026 HBLL OFFICIAL REGULATIONS

Formation of Teams (continued)

E. Conditions for Transfer

1. Any player selected to play on a team must remain on that team and may not play for another team unless the player's parents can show to the satisfaction of the Player Agent that it would be detrimental to the player to remain with the original team. Conflicts that cannot be resolved by the Player Agent shall be referred to the Board of Directors for action.
2. No player may be dropped from a team except as a necessary disciplinary action and then only with the approval of the Board of Directors. The parents of the player may make an appeal of such an action to the Executive Board per the Bylaws of the Hermosa Beach Little League.

F. Replacements

1. Within 10 calendar days of a roster vacancy, a coach shall notify the Player Agent of the vacancy. The coach shall be assigned a replacement player from a list of eligible players maintained by the Player Agent. The replacement player shall be the first player on the list deemed by the Player Agent to be the best match that maintains the competitive balance of the team.
2. In the event that a player declines an opportunity to be drafted as a replacement player, he shall be dropped from the eligibility lists for the remainder of the season.
3. It is the responsibility of the coach to inform the Player Agent of the roster vacancy, and not the responsibility of the Player Agent to discover the vacancy. In any event, the 10 calendar days shall be counted from the actual time of the vacancy, and not from the date on which the Player Agent was informed.
4. After the 10---day calendar time, the applicable team shall forfeit all scheduled games until a replacement player is obtained, unless in a particular circumstance the Player Agent determines that this rule should be waived.
5. A roster vacancy exists when:
 - i. A player who misses two consecutive games without approval of the head coach. After the first absence, the coach shall inform the player's guardian of this rule.
 - ii. A player informs the coach of their intent to quit.
 - iii. The Board of Directors removes a player for disciplinary reasons.
 - iv. The Player Agent determines that it is detrimental to the player to continue on the applicable level of play.

2026 HBLL OFFICIAL REGULATIONS

Formation of Teams (continued)

- v. A player is ill or injured. In this case the Coach has a 20---day grace period before the start of the 10---day period in which he must obtain a replacement.
6. Injured players, when recovered, shall return to the same team. Replacement players also stay with that team.
7. For players removed from a team, the Player Agent may, at his discretion, place the player on a team of lower level, or on a waiting list for a lower level.
8. With five or fewer games left in the season, a team may elect not to obtain a replacement player. However, the five game limit starts with the beginning and not the end of the 10---day replacement period.
9. After the start of the last two weeks of the regular season, a team may only obtain a replacement if such a replacement is necessary to bring the active roster to nine players.
10. The Player Agent for review shall report all cases of players replaced to the Board of Directors.

G. Temporary Replacements

1. If a team expects to have 9 or fewer players for a particular regular season game, the Head Coach may call up players from the lower division immediately below the League in which the team is playing, subject to the following guidelines and rules.
2. Any kid pitch baseball team with only 8 players DOES NOT take an automatic out each time the 9th spot comes up in the order.
3. Temporary Replacement players may be called up, but they must come from the division below your division. If a Majors Coach is calling players, he must call up from the Triple A League and not from a Majors team that happens to have no game scheduled at that time.
4. Temporary replacement players **may not pitch for the team** in the upper league that has recruited them pursuant to this rule.
5. Temporary replacement players should bat last in the batting order for the team in the upper league that has recruited them pursuant to this rule.
6. The players and their parents should know that this is a one-game opportunity.

The players are not being moved to a higher league permanently. After the game, they will return to their original team.

7. If the player's original team is playing at the same time, they cannot miss that game to be a temporary replacement player on a team in a higher league.
8. Temporary replacement players **may not be used in playoff games** under any circumstances in any league.

2026 HBLL OFFICIAL REGULATIONS

5. Coaches shall not use cellular phones or other electronic communication devices on the field or in the dugout during games except in the case of an emergency or urgent matter relating to the game.

2026 HBLL OFFICIAL REGULATIONS

Coaches and Assistants (continued)

6. The HBLL's Board of Directors shall have the authority and power to initiate disciplinary proceedings and take such action regarding coaches that it deems to be in the best interests of the league for any violations of these rules or rules of decorum, to the extent such action is consistent with HBLL's By---Laws, and the Official Regulations and Rules of Little League Inc.
7. When a coach or player is ejected from a game, he or she is subject to, among other appropriate discipline, Rule 4.07 of the Official Rules and Regulations of Little League, Inc. which requires any such coach or player to be immediately removed from the playing area and to be automatically suspended for the team's next played game, and precludes the individual from attending, or being at the site of, the next game. Any refusal to comply with, or violation of, Rule 4.07 shall result in an automatic forfeiture of the applicable game. Each of the two coaches should report to the Division Commissioner when an ejection takes place in a game.
8. In the event a player, coach, or parent is found by the umpire to have committed an egregious act of unsportsmanlike behavior, the umpire has the authority to expel that person from the game and field area, and the matter will be referred to the Commissioner, Player Agent, and President for any further disciplinary action.

2026 HBLL OFFICIAL REGULATIONS

III. Decorum and Sanctions for Violations of Decorum

A. Philosophy

1. The primary goal of HBLL is to teach good sportsmanship and respect among its participants while enjoying the game of baseball. This goal is much more important than winning. The players should be taught that the enjoyment of the game and competition is first and foremost, and winning is secondary. They are to be taught that umpires are fallible, and that their right to err, without challenge, is absolute.
2. Coaches are to instill values and foster the league philosophy by example during all league games and events.

B. Players

1. Players shall not engage in unsafe practices which include, but are not limited to the follow:
 - i. Willfully or carelessly throwing a bat or other baseball equipment;
 - ii. One-handed completion of a batting swing;
 - iii. A runner willfully colliding with a fielder; or,
 - iv. A fielder willfully obstructs a runner.
2. Chatter and cheering shall be positive in tone and content and shall not be derogatory toward the opposing team or its players. Derogatory or inflammatory dugout chatter directed to defensive players in the field is not allowed. The catcher may not talk to the batter for purposes of distracting or disrupting the batter during his or her at--bat. Defensive players may not talk to base runners for such purposes. Teams may not chant or yell at the opposing pitcher or batter once the pitcher has stepped on to the pitching rubber to begin his delivery to the plate. Social interaction among players is not intended to be prohibited by these rules.
3. Unsportsmanlike Behavior: Players and coaches shall not engage in disruptive or unsportsmanlike behavior including, but not limited to the following:
 - i. Display of temper, making threats or verbal or physical abuse of anyone associated with the game or HBLL.
 - ii. Use of abusive language and/or personal comments directed at an opposing player. This includes yelling "swing" at the batter.
 - iii. Arguing with an umpire or showing obvious disapproval of an umpire's call. This is not intended to preclude a calm discussion of an umpire's call or the applicable rule. **However, no discussion by a coach or player with a Junior Umpire regarding a call is allowed at any time.**

2026 HBL OFFICIAL REGULATIONS

Decorum and Sanctions for Violations of Decorum (continued)

- iv. Intentionally Delaying the Game. Coaches and players shall not intentionally delay the game in order to take advantage, or attempt to take advantage, of the Length of Game or Time Limit rules contained herein.
- 4. These rules of decorum for players and coaches shall apply at all times relevant to the game whether on or off the field.
- 5. Violations of these standards before or during a game shall draw a warning from the umpire. Flagrant or repeated violations shall be grounds for ejection from the game without warning.
- 6. Any combination of any 2 player ejections and warnings to players on the same team by an umpire shall cause forfeiture of the game, which shall be announced to the official scorekeeper by the Professional umpire.
- 7. Violations of these standards occurring before, during or after completion of the game shall be called to the attention of the Board of Directors, and may be the subject of disciplinary proceedings.

If it is not feasible to complete the field preparation 30 minutes before game time due to the scheduled use of the field for a game or practice preceding the game time, it is to be completed as soon as possible before game time.  - ii. To the extent feasible, the Visiting Team takes the infield for warm---ups 20 minutes before game time, followed by the Home Team. Each team gets 10 minutes of infield before the game.
 - iii. If time permits, every coach in every league except T---Ball should make a reasonable effort to follow traditional baseball decorum by having his or her team in the dugout when the opposing team takes the infield for warm---ups.
 - iv. Batting practice is allowed if time permits in the designated Clark Field batting cages, or with a portable net designed to hit into (ie, BowNet) At no time should baseballs be used for soft toss drills, hitting into a fence. B. Field Inspection

1. Both coaches shall inspect the field before the game time to determine the safety of the playing field (i.e. pot holes, excess water, articles on the field, etc.).
2. The two coaches shall determine if the field is playable. If they disagree, the decision shall be made by a consensus of Board Members present. Once a game is started the umpire has the sole decision whether play should be halted or continued, the umpire may consult both coaches prior to making a decision.

2026 HBLL OFFICIAL REGULATIONS

Playing the Game (continued)

5. The Professional umpire has the authority to eject any player, coach, or spectator for rule infractions or indecorum. Ejected players shall remain in the dugout, while ejected coaches shall leave the playing field. The Chief umpire shall inform the Player Agent or other Board member of the circumstances of the ejection within 24 hours. Instances of ejected persons shall be reviewed by the Board of Directors for possible further disciplinary action.
6. The umpire shall remove any pitcher, as a pitcher, who is in the judgment of the umpire endangering batters for any reason. Excessive wildness qualifies as a valid reason for the umpire to remove the pitcher. In Double A, Triple A, and Major Baseball Leagues, any pitcher that hits 3 batters in the same game is to be considered excessively wild for purposes of this rule. See Rule VII.I.1.i., below, for additional rules and warnings to be issued to wild baseball pitchers. A pitcher may be removed under this rule notwithstanding the fact that the pitcher has not hit 3 batters, if in the judgment of the umpire he is endangering batters.
7. Junior Umpires:
 - i. HBLL employs Junior Umpires. These are league age 13+ minors who currently play or have previously played HBLL.
 - ii. Coaches should be guided by the primary goal of HBLL, which is to teach good sportsmanship and respect among its participants while enjoying the game of baseball.
 - iii. Two Junior Umpires are assigned to officiate a Single A game and one Junior Umpire will assist a professional umpire in Double A, Triple A and Majors.
 - iv. Arguing, debating or otherwise challenging a Junior Umpire ruling (even if the ruling is clearly incorrect) is not permitted under any circumstances and may lead to ejection and suspension from future games.
 - v. If a coach wishes to challenge a Junior Umpire ruling in Double A and above, they may call timeout and speak with the Professional Umpire and ask them to review the play with the Junior Umpire. The Junior Umpire may choose to reverse their ruling after the discussion, but the Professional Umpire may not overrule a Junior Umpire's decision.
 - vi. In Single A, there is no process to review or discuss a Junior Umpire ruling - decisions are final.

2026 HBLL OFFICIAL REGULATIONS

Playing the Game (continued)

- vii. Coaches should contact the Junior Umpire Coordinator to report concerns about performance. Coaches may escalate their concerns to the Division Commissioner.
- viii. Coaches are responsible for managing parent/spectator interactions with Junior Umpires. If after warning a parent/spectator that they should not engage with the Junior Umpire and the abusive conduct persists, the game shall be stopped to avoid any further issues. The conduct of the offending person(s) should be immediately reported to the league commissioner, who will escalate it to the Executive Board for further review and handling.

E. Length of Game

1. These following time limits apply to all regular season games, are absolute and not subject to change. If the start of a game is delayed, coaches and umpires are encouraged to speed play, especially by limiting between inning activities, to meet these time limits.
2. Play shall cease whenever stopped by the umpire due to darkness, rain, or any other reason. See Little League, Inc. Rule 4.10(c) regarding what constitutes a regulation game when a game is stopped, as opposed to merely delayed, due to weather or unforeseen events.
3. Game lengths during the regular season: Juniors—No new inning after 2:15; drop dead time at 2:30; Majors—2:00 and 2:15; Triple A—1:45 and 2:00; Double A—1:30 and 1:45; Single A—1:15 and 1:30; Rookie - 1:00 and 1:15; T-Ball 1:00.
4. There is no drop---dead time in the playoffs. If the field becomes unavailable, the game will be completed at a different time. In the playoffs for Majors, Triple A, and Double A, all games must go at least six innings to be official. For Single A, it is five innings.

F. Fewer than Nine Players

1. All kid pitch games are to attempt to start with a minimum of 8 players present (in the field or in the dugout), whether from that team's roster or a "call-up" from the division below. When a team has only 8 players, the spot in the batting order of the last player to leave shall NOT constitute an automatic out each time that spot comes up during the game.

Playing the Game (continued)

B. Injured Batter

1. An injured batter who cannot continue shall be replaced immediately by the next scheduled batter, who shall assume the ball---strike count of the injured batter.
2. There shall be no delay of the game or forced participation of the injured batter. When, in the opinion of the plate umpire or the player's coach, the injury deserves more than a two-minute rest, the umpire shall direct the batter to return to the dugout and shall direct the next batter to take his/her place at the plate.
3. When an injured batter is recovered, s/he may resume the normal position in the batting order.

C. Run Limit

 - iii. When an injured runner is fully recovered, he/she may resume the normal position in the batting order after completion of the half inning.

2026 HBLL OFFICIAL REGULATIONS

Playing Rules of all HBLL Games (continued)

- iv. This rule shall not be interpreted to allow a courtesy runner (see Little League Playing Rule 3.04) or special pinch runner (see Little League Playing Rule 7.14).
2. Baserunners are not required to slide. However, they must either slide or attempt to get around a fielder who has the ball. If, in the umpire's judgment, the base runner does not either slide or attempt to get around a fielder who has the ball or is in the process of fielding a ball, the runner shall be called out.

E. Collision with Fielder (See Little League Playing Rule 7.08a)

1. If time and space provides a runner the opportunity to avoid contact with a fielder, the runner must make an attempt to slide or attempt to get around a fielder who has the ball, is about to field or catch the ball. Note: so long as the runner avoids contact, the runner does not have to slide. The out call is a judgment call by the umpire making the call.
2. If the fielder does not yet have possession of the ball or have possession of the ball in a position to make a tag on the runner, the runner may run out of the base path, run around the fielder, to reach the next base. However, a defensive player without the ball or not fielding a batted ball who blocks the base or the base path may be guilty of obstruction and the runner may be ruled safe or allowed an extra base. See Little League Playing Rule 7.06.
3. A runner who willfully and/or dangerously collides with a fielder without a reasonable attempt to avoid the collision shall be ejected from the game.
4. Sliding pursuant to the rules into a base, and thereby touching a fielder, shall not count as a collision.

- ii. A coach may request time out for a conference with a pitcher a maximum of twice per inning in Double A, and a maximum of once per inning for Triple A and Majors.  - 1. **Exception:** Timeouts to attend to an injured player do not count against the 3---time or 2---time limit.
- iii. A new 3---timeout or 2---timeout limit applies to each pitcher who enters the game. A pitcher must be removed on the third visit in Double A, and on the second visit in Triple A and Majors, to confer with the same pitcher during the same inning. III. Rules for Single A League

Please note that these rules are in addition to Little League Official Rules, and to the extent the following playing rules are inconsistent with the Little League Official Rules these rules are controlling.

A. Standings

There are no league standings in Single A.

B. Game Length

Regular Season: 5 innings max, with no new inning after 1 hour and 15 minutes, and a drop dead time of 1 hour and 30 minutes.

C. Run Limit

1. The maximum allowable runs per team per inning are five unless it is the last inning of the game. There is no limit on the number of runs that can be scored in the last inning (5th inning).
 - i. If the game is not going to go 5 innings due to time or darkness then the coaches and umpire shall agree which inning is to be the last inning, and the “no limit on runs” rule will apply to that inning. Once the coaches agree to declare an inning the last inning, they may not play another inning beyond that regardless of score or time availability.

D. Offensive Rules

1. The batter shall be retired after three swinging strikes or seven pitches, whichever occurs first except in the following situations:
 - i. A foul ball on the 7th pitch entitles the batter to an additional pitch. Additional pitches will be awarded if the batter continues to hit foul balls.
 - ii. A foul tip on a 3rd strike that is caught by the catcher shall be recorded as an out.
 - iii. A pitch that hits the batter or a batted ball that hits the *jugs machine* (meaning the actual machine itself; this does **NOT** include the electrical cord stretching from the jugs machine to the outlet, nor does it include any paper/sandpaper hanging off the jugs machine) or coach that is controlling the pitching machine, shall be a "no pitch" and not count against the batter as one of the seven pitches.

2026 HBLL PLAYING RULES

E. Base Runners

1. Runners may not leave the base until the ball is hit.
2. Runners are not allowed to steal (including stealing or advancing on a throwback by the catcher toward the pitcher).
3. **INFIELD OVERTHROWS:**
 - i. **GAMES PRE -SPRING BREAK - RUNNERS ARE NOT ALLOWED TO ADVANCE ON AN OVERTHROW.**
 - ii. **GAMES POST-SPRING BREAK** - On any infield overthrow of a base, runners may only attempt to advance one additional base (at risk) regardless of further plays and regardless of where on the field the further plays take place. Successfully taking the one base stops play and the base must then be returned to the coach working the pitching machine. “Overthrow” means any throw that is not caught, whether due to a throwing error or a catching error.
4. **THROWS FROM THE OUTFIELD:** On any throw from the outfield, once an infielder has controlled the ball on the infield, base runners may only attempt to advance to the base to which they are running to. This advancement to the next base is at the runner’s risk, and after reaching the base, play is stopped, regardless of outcome, including overthrows. From a defensive standpoint, this rule allows an infielder to attempt to throw this advancing base runner out with no additional risk of the runner advancing.

2026 HBLL PLAYING RULES

Rules for Single A (continued)

- i. Any infielder receiving the ball from the outfield throw on the infield dirt area or infield grass shall be determined to be “in the infield.”

3. Every player must play at least ONE INNING in an infield defensive position (C, P, 1B, 2B, 3B or SS) in the first 4 innings of the game. Violations of this rule should be reported to the Single A Commissioner within one day of violation.

G. Defensive Positioning

1. Coaches shall draw a 6-foot chalk circle around the jugs machine before the game. The pitcher shall begin each play within the chalk circle, on either side of the jugs machine.
2. The pitcher shall not leave the chalk circle around the jugs machine until the hitter has contacted the ball, putting it in play.
3. The first, second, and third basemen, and the shortstop must start each play on the infield dirt (not grass). On fields without infield grass, these players must start in the vicinity of the base path between 1st, 2nd, 3rd base and not in the vicinity of the pitcher’s mound.
4. Outfielders must play in a normal position on the outfield grass until the ball is hit, and may not make unassisted outs in the infield except by catching a fly ball. *For example, an outfielder may not field the ball and then tag a runner or step on a base. The ball must be transferred to the infield.*

2. Coaches should chalk a line at the beginning of each game from the end of the dugout toward right field and left field, clearly marking the dead ball territory.

J. Double First Base

1. Whenever a play is being made on the batter-runner, the batter-runner must use the colored section (outside section) of the double base on his/her first attempt to tag first base. **NOTE:** on extra-base hits or other balls hit to the outfield when there is no chance for a play to be made at the double first base, the batter-runner may touch either the white or colored section of the base. Should the batter-runner reach and go beyond first base, he/she may only return to the white section of the base.
2. Whenever a play is being made on the batter-runner, the defense must use the white section (inside section) of the double first base. **NOTE:** when the batter becomes a runner on a third strike not caught by the catcher, the batter-runner and the defensive player may use either the colored or the white section.
3. When tagging up on a fly ball, the white section of the base must be used by the runner.
4. A batted ball that hits the white section of the double base shall be declared fair. A batted ball that hits the colored section of the double base without first touching or bounding over the white section shall be declared foul.

J. Double First Base

1. Whenever a play is being made on the batter-runner, the batter-runner must use the colored section (outside section) of the double base on his/her first attempt to tag first base. **NOTE:** on extra-base hits or other balls hit to the outfield when there is no chance for a play to be made at the double first base, the batter-runner may touch either the white or colored section of the base. Should the batter-runner reach and go beyond first base, he/she may only return to the white section of the base.
2. Whenever a play is being made on the batter-runner, the defense must use the white section (inside section) of the double first base. **NOTE:** when the batter becomes a runner on a third strike not caught by the catcher, the batter-runner and the defensive player may use either the colored or the white section.
3. When tagging up on a fly ball, the white section of the base must be used by the runner.
4. A batted ball that hits the white section of the double base shall be declared fair. A batted ball that hits the colored section of the double base without first touching or bounding over the white section shall be declared foul.

2026 HBLL PLAYING RULES

V. Rules for Triple A & Major Leagues

Please note that these rules are in addition to Little League Official Rules, and to the extent the following playing rules are inconsistent with the Little League Official Rules these rules are controlling.

A. Standings

There are not standings kept for Triple A or Majors regular season.

B. Game Length

1. **Triple A:** Max of 6 innings, with no new inning after 1:45 and drop dead time at 2:00
2. **Majors:** Max of 6 innings, with no new inning after 2:00 and drop dead time at 2:15

C. Run Limit

1. **Triple A:** a team at bat may score a maximum of five (5) runs in an inning. There is no run limit in the sixth and subsequent innings. There is no run limit on the last declared inning as designated by the umpire. In International, this declaration of the last inning must occur before such an inning begins.
2. **Majors:** There are no run limits in Majors.

D. Offensive Rules

1. Teams with only 8 players will NOT take an automatic out each time the 9th spot comes up in the order.
2. Player(s) arriving after the start of the game will be added at the bottom of the batting order regardless of where the team currently is in the batting order.
3. Injuries: An injured batter is replaced by the next batter who assumes the count. An injured runner is replaced by the last batter who failed to reach first base. Injured players may resume play after completion of the half---inning.

2026 HBLL PLAYING RULES

Rules for Triple A & Majors (continued)

3. No slash bunting is allowed. A batter who “shows bunt” must either bunt the ball or take the pitch. A batter who “shows bunt” and then swings at the ball is automatically out.
4. Bats must be approved by Little League International and in accordance with rule 1.10.

F. Runners

1. A runner may not leave the base until the pitched ball crosses home plate. A steal may be initiated after the pitcher has the ball and before he/she is on the pitching rubber. When the pitcher is in contact with the pitching rubber and in possession of the ball and the catcher is ready to receive the pitch, all runners must be on their respective base.
2. If time and space provides a runner the opportunity to avoid contact with a fielder, the runner must make an attempt to slide or attempt to get around a fielder who has the ball, is about to field or catch the ball. *Note:* so long as the runner avoids contact, the runner does not have to slide. The out call is a judgment call by the umpire making the call.
3. If the fielder does not yet have possession of the ball or have possession of the ball in a position to make a tag on the runner, the runner may run out of the base path, run around the fielder, to reach the next base. However, a defensive player without the ball or not fielding a batted ball who blocks the base or the base path may be guilty of obstruction and the runner may be ruled safe or allowed an extra base. See Little League Playing Rule 7.06.
4. No pinch runners are allowed except for a player who reaches base on a hit by pitch and for the catcher in the next defensive inning (provided there will be one) when there are two outs. The pinch runner must be the last player to record an out (whether batting or on the bases).

G. Defensive Rules

1. **An eligible player may be left out of the defensive lineup for a maximum of 2 innings, or any part of 2 innings during the first 6 innings of a game. It is suggested that all players play a minimum of an inning in the infield.**
2. Infield fly rule is in effect for both divisions.

Should the batter-runner reach and go beyond first base, he/she may only return to the white section of the base.

2026 HBLL PLAYING RULES

VI. Rules for Junior Baseball League

The length of all Junior League baseball games is seven innings. If the home team is ahead after the visiting team has batted in the top of the seventh inning, it does not bat in the bottom of the inning. Teams play extra innings if the games are tied and the game is played until a winner has been decided. If a game has to be stopped due to darkness or weather when the score is tied, it will be resumed at a later date at the point it was stopped. The mound is 60 feet, 6 inches from home plate and the base paths are 90 feet. These are the same standards used at the high school, college and professional level. Outfield fences are not required on Junior League fields.

Please note that the following rules are in addition to Little League Official Rules, and to the extent the following playing rules are inconsistent with the Little League Official Rules these rules are controlling.

A. Time limit

1. No inning shall start after 2 hours 15 minutes from the actual start of the game.
2. The start of an inning is the time at which the last out was made in the prior inning.
3. The game will be extended exactly 2 hours and 30 minutes from the actual start of the game if there is a game following where the warm---up or starting time for the following game will be affected. Otherwise, the inning being played shall be completed.

2026 HBLL PLAYING RULES

VII. Hardball Pitching Rules

Please refer to Little League, Inc. Rulebook for comprehensive pitching rules.

A. Pitch Limits Per Game

1. Majors pitchers may not pitch more than 85 pitches per game. If a pitcher reaches his 85--- pitch limit while facing a batter, he may continue to pitch until that batter reaches base or is put out.
2. Triple A pitchers may not pitch more than 75 pitches per game. If a pitcher reaches his 75--- pitch limit while facing a batter, he may continue to pitch until that batter reaches base or is put out.
3. Double A pitchers may not pitch more than 50 pitches per game. If a pitcher reaches his 50--- pitch limit while facing a batter, he may continue to pitch until that batter reaches base or is put out.
4. In all divisions, players removed from the pitcher's position that have pitched more than 40 pitches in that game may not subsequently play the position of catcher in the same game.

B. Rest Requirements

In this section, a calendar day is a day in which a pitcher does not pitch at all.

1. Calendar day(s) rest is required for pitchers as follows:
 - i. If a pitcher delivers 1---20 pitches in a game, no calendar day rest is needed.
 - ii. If a pitcher delivers 21 – 35 pitches in a game, 1 full calendar day rest is needed.
 - iii. If a pitcher delivers 36 – 50 pitches in a game, 2 full calendar days rest are needed.
 - iv. If a pitcher delivers 51 --- 65 pitches in a game, 3 full calendar days rest are needed.
 - v. If a pitcher delivers 66 or more pitches in a game, 4 full calendar days rest are needed.
2. The “finish the current batter exception” also applies to day's rest rules.

2026 HBLL PLAYING RULES

Hardball Pitching Rules (continued)

3. A player who plays the position of catcher in 4 innings (one pitch received constitutes an inning) cannot subsequently pitch in that game.

C. Pitching Conference Limits

1. In Triple A and Majors a coach may request time out for a conference with a pitcher a maximum of once per inning without removing the pitcher. A second conference in the same inning results in the removal of the player as pitcher. A replacement pitcher starts with new limits.
 - i. **Exception # 1:** Timeouts to attend to an injured player do not count against the 2---visit limit.
2. In Double A, a two-visit limit applies and the third conference in the same inning results in the removal of the player as pitcher.
3. The umpire shall remove any pitcher, as a pitcher, who is in the judgment of the umpire endangering batters for any reason. Excessive wildness qualifies as a valid reason for the umpire to remove the pitcher. In Double A, Triple A, and Majors Leagues, any pitcher that hits 3 batters in the same game is to be considered excessively wild for purposes of this rule. See Rule VII.I.1.i for additional rules and warnings to be issued to wild baseball pitchers. A pitcher may be removed under this rule notwithstanding the fact that the pitcher has not hit 3 batters, if in the judgment of the umpire he is endangering batters.
