

2022 CHALLENGER SCHEDULE (2-7-2022)

*****In case of rain on game day, please call your coach to see if the game is rained out or relocated.

*****Please arrive on time so the games can start promptly.

*****All bats used must have the USA designation

To comply with insurance regulations, please ensure that:

1. All kids, except the player at bat, must be in the dugout. Please have a volunteer help to keep the kids safely in the dugout.
2. Please have only an adult in the catcher and pitching position. We don't want a child being hit with the bat and we don't want to slow down the game.
3. There is NO SMOKING permitted during games on or near the playing field. This includes coaches, parents and volunteers. Let's set a good example for our kids.
4. At least one parent or guardian should remain at your child's game.
