

Sitka Little League:  
All-Stars Manager & Coach Commitment Letter

---

Being involved in All-Stars requires a dedication and commitment beyond that required during the regular season. The All-Star Tournament is intensely competitive and will require a more focused and intense effort to succeed. Consequently, only those managers and coaches that truly desire to commit their time and effort to their All-Star team should participate.

You have committed to being available to hold practices from the end of regular season play until the tournament, travel with and stay with the team during the tournament and until completion of tournament play. Please read the statement below and confirm your willingness to participate by signing.

SLL will pay for all manager & coach travel expenses associated with scheduled team travel.

The SLL board of directors appreciates your commitment to our league and players.

### **Manager & Coach Commitment Statement**

I, \_\_\_\_\_, am committed to managing/coaching during the 2018 Little League All-Star Tournament. Failure to follow the stated commitment guidelines above may result in being removed from All-Star Tournament participation at the boards' request.
