

Sitka Little League:
All-Stars Player & Parent Commitment Letter

Being involved in All-Stars requires a dedication and commitment beyond that required during the regular season. The All-Star Tournament is intensely competitive and will require a more focused and intense effort to succeed. Consequently, only those players, managers and coaches that truly desire to commit their time and effort to their All-Star team should participate.

Parent, your player is available and has been selected to participate as an All-Star from early July until completion of tournament play, please have him/her read the statement below and confirm his/her willingness to participate by having them sign below. As a parent, please indicate your commitment to support your player by also signing below.

SLL will provide jerseys and pants for each player (must be returned at the end of tournament play). Players are responsible for all other personal equipment. SLL will pay for costs associated with the All-Star Tournament, but each player will be required to pay a \$150 travel fee by July 1, 2019.* **Players are expected to travel with and stay with the team through all phases of tournament play.** Any other arrangements will be at the discretion of the SLL All-Star Committee. Any additional fees will be covered by the player.

Parent Commitment Statement

I/we, _____, the parent/guardian of _____ are committed to letting our son/daughter play in the Little League All-Star Tournament. We will have our son/daughter at all practices and games as required until the end of tournament play. Failure to follow these commitment guidelines may result in my son/daughter being removed from All-Star play at the managers' request.
