

GOAL/Little Lions Field Set Up Plan

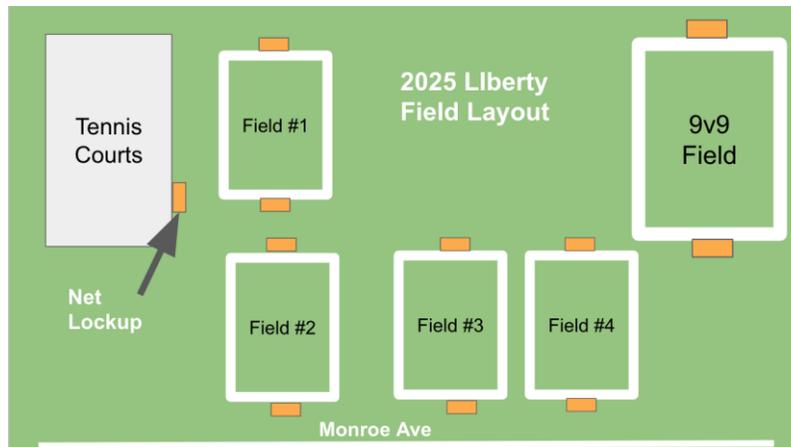

Ogden Soccer – Liberty Park 4v4 Field & Net Policy Plan

We're excited for another season of 4v4 games at Liberty Park! To keep games running smoothly, we ask coaches to help with **field set-up** and **lock-up**. With everyone pitching in, we can make game days simple and fun for players, families, and volunteers.

1. Assignment Plan

- **Starting Game:** Coaches in the first timeslot of the day will need to arrive 10-15 min earlier than normal (goal is to have fields set up 10 min prior to the first game). Coaches unlock the nets and flag bag and set up their fields. As other Coaches arrive on their field for the first game of the day on that field, they will bring the nets and flags and set up their field. **Combination is 5913**
- **Last Game:** Teams playing the last game on that day should bring the nets back over to the area by the tennis court and put their flags in the bag...Last game of the day (normally 8U game) will put the flag bag in the nets and will lock up the nets.
