

## **Fergus Falls Youth Baseball Association**

### **Eye Black Policy**

**EFFECTIVE June 6, 2025**

Fergus Falls Youth Baseball Association has implemented the following policy regarding the use of eye black at all age levels. We will be following the guidance of the National Federation of High School Associations:

The NFHS (National Federation of State High School Associations) baseball rule regarding eye black is that it must be worn as a single, solid stroke below the eye, extending no further than the width of the eye socket or below the cheekbone. The eye black cannot include logos, letters, numbers, designs, or messages. Eye black will not be used on any other part of the face or body.
