

**HALF MOON BAY LITTLE LEAGUE BASEBALL**  
**MINORS DIVISION LOCAL RULES**  
**2020 SEASON**

*This document defines the Half Moon Bay Little League (HMBLL) Local Rules for the Minors Division. The Local Rules have been adopted by the HMBLL Board of Directors as additions to the rules and regulations contained within the Official Regulations and Playing Rules booklet published annually by Little League Baseball® (AKA The Green Book).*

**Game Duration** A new inning cannot start after 2 hours and 15 minutes from first pitch starting time as recorded by the home team scorekeeper in the official scorebook.

**Schedule** After the start of Daylight Savings Time, 2 games per week (1 weekday and 1 Saturday) are scheduled except when an extra weeknight game is played to make up a rainout potentially resulting in 3 games played in a week. No double-headers are permitted as defined in Rule 4.13

**Roster** **Player Pool:** Player Pool will be maintained per Regulation V(c).

**Players 10-Years Old and Older:** All players 10-years old or older (based on Little League Age as of Aug 31 of the season) not drafted in the Majors Division shall be drafted in the Minor Division.

**Mandatory Play** Every rostered Player present at the start of the game will participate in each game for a minimum of 9 defensive outs, 3 of the defensive outs have to be at an infield position and bat at least 1 time. If mandatory play is not met for a Player in any regulation game (4-6 innings of play), the Player must start the next scheduled game, complete any previous requirement of mandatory play, and complete mandatory play for the current game before being removed from defensive play. See Regulation IV(i), Note 2 for clarification. This rule is not in effect for late arrivals or early departures.

**Batting** **Approved Bats:** Bats must meet USA Baseball Bat standard (USABat)

**Continuous Batting:** Minors Division uses continuous batting lineups. Continuous batting order is defined in Rule 4.04. See also 4.01.

**Throwing Bats:** A batter throwing a bat in a manner the umpire deems to be unsafe is issued a warning. A batter throwing a bat in an unsafe manner again in the same game, is not allowed to bat for the remainder of the game. If a batter becomes ineligible during an at-bat, the next batter in the lineup bats and assumes the ineligible batter’s ball/strike count.

**Pitching** Minors division observes the following pitch count limits: If a player reaches their soft count pitch count limit in the middle of an at-bat, they are permitted to complete the at-bat and then must be replaced by another pitcher. Penalty for not following HMBLL Pitch count limits may result in the suspension of the manager for one game and possible forfeit of the game.

<b>Game Play</b>	<p><b>5-Run Rule:</b> After scoring a fifth run in an inning, the team's at bat is over. The 5-run rule (Rule 5.07) is suspended in the last inning for both teams. Umpires must notify both managers and scorekeepers at the beginning of the inning that it is to be the last inning (4th, 5th, or 6th inning) played and game will end once the inning ends per Rule 5.07 or home team scores winning run.</p> <p><b>Stealing Home:</b> No run can be scored from 3<sup>rd</sup> Base by the act of Stealing home on a passed ball, wild pitch, or throw back to the pitcher from the catcher. When Minor division reaches the max pitch count on April 29, this rule is lifted.</p>
<b>Mercy Rule</b>	Games ended by "mercy rule" as written in Little League Rule 4.10(e) are automatically reported to the Players' Agent via the HMBLL game score system for review by the Players' Agent. In the course of a team winning by "mercy rule," the Players' Agent will suspend for 1 game any manager or coach deemed to have encouraged players to continue to run the bases to "run up the score," or behave in an otherwise unsportsmanlike manner.
<b>Field Prep</b>	The home team uses the dugout along the 3 <sup>rd</sup> base line and prepares the field for play. The away team drags the infield after the game, and put's all field equipment away after the game.
<b>Postseason Tournament</b>	Division champions are determined by a postseason double-elimination tournament. Tournament seeding is determined by regular season standings. All post season tournament play will be played under the Green Book tournament rules with the exception of pitch count limits, which will continue to be governed by our Local Rules Pitch Count section.
<b>Manager/Coaches</b>	<p><b>Hats:</b> All managers and coaches will wear the league-provided hats during games.</p> <p><b>Positive Coaching Alliance (PCA):</b> All managers and at least two coaches must attend the PCA workshop provided by HMBLL.
