Dear Prospective Sponsor:

Western Little League of Stockton is chartered annually by Little League Baseball, Inc. of Williamsport, PA. Western's objectives are to implant in the children of the community, the ideas of good sportsmanship, honesty, loyalty, courage and respect for authority, so that they may be well adjusted, stronger and happier children who will grow to be healthy and trustworthy citizens. To achieve these objectives, Western provides a supervised Little League Baseball program for approximately 250 children ranging in age from 5 to 16, playing on approximately 22 teams.

Starting in 2011 Western Little League is the host league for the District 8 (Stockton and Lodi) Challenger Division. The Challenger Division is a division of Little League that enables boys and girls with physical and mental challenges, ages 4-18, (or up to age 22 if still enrolled in high school) to enjoy the game of baseball along with the millions of other children who participate in this sport worldwide.

In striving to fulfill our objectives, Western relies entirely on volunteers for everything, from coaches to our Board of Directors and League Officers.

Our player fees are some of the lowest for any sport in California and we rely on our sponsors to help insure that no child is prevented from participating because of cost. We rely on our generous sponsors and private donations to fund equipment and facilities to insure a safe environment for all participants. Without your help we have to increase fees making participation impossible for some of our players.

In 2017 Western Little League took on the ambitious task of renovating a baseball field on the grounds of Commodore Skills School. The field itself (a full size 60/90 baseball diamond) was last used for baseball in the 1990's and a lot of work and a large financial investment was put into it (over \$20,000 over the entire project). The field allows Western to provide a safe and consistent field for our players, while at the same time allowed us to expand our Juniors and Seniors divisions (players aged 13-16) and enabled more opportunities for Stockton youth to participate in baseball.

As a recognized non-profit organization (EIN 23-7247737), we are requesting donations in accordance with your company's donation policy. In addition to donating to a great cause your company/organization's name will be included on our website and be recognized at our opening and closing ceremonies.

Very Truly Yours,
