Additional Notes/helpful hints on purchases:

****Each person ordering must submit an individual order. Traditional Fundraisers require the selling player to fill out an order form, track their orders and submit all at once with one total payment. This fundraiser will alleviate this part and all you need to do is forward this link to anyone willing to participate. They place their own order and submit their own payment. We will then track each player's participation ensuring they have sold the minimum required amount. Please make sure anyone you send this too puts in the correct player name for proper tracking!****
