PUBLIC FLOOR (Must sign in with a topic before opening, it is NOT an open floor)

- **Bill Marks - last month attended CU meeting and new faces have surfaced on their board; Andy Green stepped down; Bill offered to be representative for CU to TSC and wants to reapproach the bridge between CU and TSC. Next meeting on Monday, 2/11 at Beltzville Bar and Grill.**
 - **Tom B. wants to know if CU removed their stuff from the Beltzville shed. Bill to follow-up.**
- **Brooke Klotz - assistant coaches/team managers to be approved by the Board; she feels it makes it seem like the board is playing favoritism. The P.O. Box - she knows that there were concerns with being in Palmerton Post Office; no mail wasn't being tampered with - automated machines; Federal Offense to mess with the mail. Not getting third class mail; we can update address. Treasurer's Report for November - felt like it was a jab that we needed everything in our possession when Tom was voted in; she needed additional time to get the report, etc. done and we didn't give her the time. If there is an issue, she wants to be told.**
