Calling all fans!

Hello fans! Hermiston Little League is headed into the 2024 season! Each year businesses and individuals step up to be a partner in providing sporting opportunities to the youth of our community! HLL consistently performs competitively at the local, district and state levels! We encourage our youth and coaches to have great sportsmanship, be skill driven and most of all, have fun!!

Last year we had 660+ youth athletes ages 4-13 playing for HLL, fielding 54 teams from T-Ball to Majors! Games start the first week in April and we play 8 and sometimes 9 games A NIGHT at the Field of Dreams for 8+ weeks! That's a lot of games! We partner with other local little leagues to bring other teams to our fields also!

Hermiston Little League had the privilege of hosting the 2023 District 3 All Star Tournament! What a week it was! 49 teams from District 3 flocked to Hermiston, bringing huge crowds to the Field of Dreams! At one point over the first weekend, we estimated there were 4200 people at the fields! The parking lot had overflowed up and down Diagonal and into the Sandstone parking lot! It was an amazingly successful week for our local league. We simply have the VERY BEST volunteers, parents and players! We learned after All Stars was over that it was the LARGEST All Star Tournament in the history of the State of Oregon! WOW! Our teams did well also! We had four teams make it to the District Championship Game, with three of them winning it all! All our teams represented well at the State Tournament, but our highlight of the summer was the 8/9/10 Softball Team! State Champs!! These girls were super tough and went 8-0 in post season play, outscoring opponents 71-7! AMAZING!

Our players, parents and fans were unbelievably great.... But it was all made possible by our community support! Your donation not only helps our youth, but donors receive exposure on our website at the fields, and in scheduling and updates! Please consider supporting HLL!! If you have any questions, please don't hesitate to contact Tiah at 541.980.5436 or hermistonlittleleague@gmail.com
