*Calling all fans!*

Another great year is upon us at Hermiston Little League! We are ready for winter to be done and get back to the Field of Dreams for our season! The 2026 season is sure to be as exciting as last season!

The 2025 season had 54 teams, with 600+ players ages 4-14! Our games started in April and the last team wasn't eliminated until the very end of July! Regular season was fantastic with amazing players, supportive families, beautiful fields and bustling volunteers. The players are truly a joy to watch as they grow so much from the beginning of the season to the end!

The All Star season was also successful for HLL! We had six All Star teams make the trek to LaGrande for the 10 day All Star tournament! The teams represented our community with respect and pride! HLL left LaGrande with two District Champions! Those two softball teams then both went on to compete in their respective State Tournaments! Guess what? Two STATE CHAMPIONS!

Our 8/9/10 Softball team competed in Wilsonville against the other seven Oregon Districts and handily won their tournament with amazing skill and grit! Hermiston Little League had the privilege of hosting the 10/11/12 Softball State Tournament. All seven other Districts came to Hermiston and competed their hearts out! Hermiston Little League came out on top, earning their THIRD CONSECUTIVE STATE CHAMPIONSHIP and a bid to the Little League World Series in San Bernardino, CA. These little ladies battled! In the California heat, over a grueling seven day tournament, they came up one run short in extra innings in the Championship game! Runner up in the Western Region ain't too shabby! Proud is an understatement!

Between running 8 to 9 games an evening for eight weeks (320+ games in our regular season), to hosting tournaments at the Field of Dreams, we love to show off all the community support we have! None of this would be possible without the AMAZING community we live in!

Your donation not only helps our youth, but donors receive exposure on our website, at the fields and in our scheduling and updates! Please consider supporting HLL!
