SUBJECT: SELECT TEAMS

I. STATEMENT OF POLICY

- a. Select teams are allowed and will be provided with equipment, playing fields/court time, and funds at the discretion of the sport commissioner (or semi-independent sport [SIS] leadership) provided the select team abides by the CAC and/or SIS Bylaws and Policies.
- b. The sport commissioner (or SIS leadership) shall at all times retain the right to decide the league and level in which a select team shall participate. Allowing teams in the same age group to participate in leagues and/or levels of play which are directly competitive shall be avoided as much as possible.
- c. Teams shall be assembled by talent tryout as provided by CAC Policy #13-11 or specific SIS policy. For select teams participating in county-sponsored leagues, youth recruiting, as defined by Anne Arundel County Parks and Recreation, will not be tolerated.
- d. Select programs shall be compliant with the Anne Arundel County Parks and Recreation guideline that establishes a 75% threshold of participants must be Anne Arundel County residents. Select teams shall be in compliance with the 75% requirement, however, sport commissioners (or SIS leadership) are granted the authority to waive the requirement to provide playing opportunities to Crofton residents.
- e. All CAC and/or SIS sponsored teams, including Select teams, shall be governed by CAC and/or SIS Bylaws, Policies, and the sport commissioner (or SIS leadership).
- f. No member of a select team shall attend a disciplinary proceeding called by another league or organization without the explicit permission of the CAC and/or SIS. The CAC and/or SIS reserves the right to attend any and all disciplinary procedures lodged against any CAC team. Additionally, no member may seek to remove, in whole or part of, a team without the approval of the sport commissioner (or SIS leadership).
- g. No member of a select team shall lodge or file a protest or appeal of a disciplinary decision brought by any organization or league in which they participate without the explicit permission of the CAC and/or SIS. In all cases the fee for any protest or appeal will be paid by the CAC and/or SIS; however, the team involved may be required to reimburse the CAC and/or SIS.
