7. Enter the player's address (or check the box if their address is the same as the account holder's) If your residence falls within the league boundary, you must provide three separate documents to prove residency. [CLICK HERE](#) for a list of acceptable documents.

If your residence falls outside league boundaries, but your player attends a school within the boundary, choose their school from the drop down list. You must provide a completed School Enrollment Form prior to your player being placed on a team. [CLICK HERE](#) for that form. If your school is not listed, please choose "Other" and contact us with the name and address of the school.

Click "Continue"

If you meet eligibility criteria, you will see this pop up:

***Note that you will still be required to turn in documentation to prove residence or school enrollment prior to your player being placed on a team.**

If you do NOT meet eligibility criteria, you will see this pop up:

***Contact us for help, to ask about waivers or to ask questions about the boundary criteria.**

8. Get involved and help keep the league running as a volunteer. Signing up at this point doesn't guarantee a role and doesn't lock you into a role, but gets the process started. [CLICK HERE](#) for more information about Volunteering.

The screenshot shows a web interface for signing up as a volunteer for the 2025 Spring Baseball season. At the top, it says "Looking to get involved? Here are some opportunities." and "You can sign up yourself or a family member." Below this, there's a section for "2025 Spring Baseball" with a sub-header "Major - Little League Baseball (Kid2 is registered here)". There are four cards representing different roles: "Head Coach", "Assistant Coach", "Team Parent", and "Concession Stand Assistant". Each card has a "Select" button. At the bottom of the page, there are buttons for "Back", "Show All Available Opportunities", and "Skip".

If you choose to skip this step, you can still complete the volunteer application at a later date by logging into your account and clicking "Volunteer" on the leftside menu.

10. Now you will see your order summary. If you have another player to register, you can go back to do that now and this player will remain in your cart so you can check out all players at the same time. If you are ready to complete the registration, click "Continue,"

Here is your order summary.
