Coeur d'Alene Little League needs your support!

We are anticipating a great season in 2026. We estimate more than 425 children will play Coeur d'Alene Little League this year and we need your support. Sponsors are vital to the continued success of our League, and we hope you will consider sponsoring a team or more this year. Your sponsorship helps maintain fields, purchase necessary equipment, and provide uniforms.

I have attached an outline of the sponsorship levels available for this year's league. Your sponsorship of youth athletics is greatly appreciated and allows us to reach kids that may not otherwise be able to participate in local youth baseball. The levels of sponsorship noted are suggested but if your company can afford to increase the contribution level, we would appreciate the support. All the local officials and coaches are volunteers, and your contribution allows us to focus on the kids.

Please note that your contribution is tax-deductible, as Coeur d'Alene Little League is a non-profit organization.

If you are interested in supporting our children and community, please complete the attached sponsorship agreement. Please return it, with payment, to our Little League address on the letterhead. Please feel free to contact me directly with any questions. All sponsorships need to be received by February 28, 2026.

Thank you for your interest and support of Coeur d'Alene Little League!

Respectfully,

Lauren Everson - League President

## **The Mission of Little League**

The Little League program assists youth in developing the qualities of citizenship, discipline, teamwork, and physical well-being. By espousing the virtues of character, courage, and loyalty, the Little League Baseball and Softball program is designed to develop superior citizens rather than superior athletes.
