Welcome to The Jane Show 2023

On August 12th we will gather at
Northside Youth Organization
for a fun filled purposeful event!

We will start the day as buddies to all
of our **Christopher League** participants
and share the Jane Wilkins Field with
some incredible individuals.

Following that – **Home Run Heroes**
where each homer can help battle the
challenges of Mental Health through
our support of WST and assist in
building our NYO community at large.

All followed by our **7th Annual Softball
Tournament** AND our first **Whiffle
Ball Tournament** held simultaneously,
with five fields activated – the park will
be hopping! Come out and celebrate our
community of friends and families!

FOUNDATION

Jane Wilkins served as Executive Director of Northside Youth Organization from 1972 through 2012. This event and the park's featured field is named in dedication to her career support of the community.

Each team entered is asked to raise money or bring on a sponsor to qualify for the tournament.
