## **ADDITIONAL ACHIEVEMENTS & COMMENTS:**

At Charter Oak Youth Baseball & Softball Association we encourage our athletes to pursue their athletic dreams, obtain a great education, and maintain a healthy family life. We believe that educating students is a collective effort between student, home, and school. We want to applaud the effort from all involved that influence our young athletes to try hard on and off our fields; most importantly in the classroom first. Our goal is that young athletes stay or become inspired, educated, and empowered in their pursuit of academic and sporting excellence!!
