Our team had to grind through a very hard schedule, and even though we didn't have as much regular season success as we thought we would have, they never threw in the towel. The guys kept improving, kept having fun and learned what it meant to never give up. In our first practice of the season, I said we wanted to be there at the end one way or the other, and that played out to be true. Congrats to a great group of boys – Go Padres."

“Huge shoutout to Quincy Strode for the Pirates. Absolutely dominant on the mound and pitched a complete game, one walk, 9 Ks, no runs allowed. I’m proud of our boys for battling hard against a kid who was pitching at an elite level. Fletcher Hull, Harding Walsh, Clive Branch and Olly Sukhovetskiy all had singles and gave us a chance. Harding, Olly and Porter Richardson had no strikeouts on the day and managed to put the ball in play each at bat to give us a chance to make something happen. Porter also made a great diving catch on a soft pop fly in the infield. Luke Thomason was fantastic at catcher with multiple blocks and really limited the pass balls. Carsten Yurcic started the game for us on the mound and pitched very well against a tough team. He had 8 Ks and only gave up 4 hits and 4 walks over 4 innings pitched. He’s been an incredible pitcher all year long and finished the season with another awesome performance against a very good hitting team.” ---Braves Coach Brian Walsh
