2023 Tournament Team Letter of Intent (Manager)

This 2023 Tournament Manager Letter of Intent for _____ is provided to Mid Carolina Little League (MCLL) which operates under the rules adopted by its Board, South Carolina Little League District 3, and Little League International. This Letter of Intent should be considered an application to be considered as a Team Manager for a MCLL 2023 Tournament Team. Annually, MCLL forms tournament teams to represent the league in the South Carolina District tournament, South Carolina State tournament, Southeastern Regional tournament and the Little League World Series Tournament. Appointment as a Team Manager for a MCLL 2023 Tournament Team is an honor that entails certain responsibilities, obligations, and expectations from the Team Manager for as long as the tournament team is active in the 2023 Little League Tournament play.

By signing and submitting this Letter of Intent, I clearly understand and agree to the following:

1. That I meet the criteria for Team Manager selection as set out by Little League International, including completing Little League Diamond Leader Training (<https://www.littleleague.org/DiamondLeader/>) Managers shall provide a document showing completion.
2. I am fully available to manage a team, if selected, by attending scheduled practices and games for as long as the 2023 Tournament Team remains active in sanctioned Little League tournament play at the District, State, Regional, or World Series level. Any selected Team Manager may be removed and replaced if the Team Manager consistently misses practices and/or acts in a manner that is not appropriate as determined by the MCLL Board.
3. This Letter of Intent does not guarantee that I will be selected to manage a 2023 Tournament Team.
4. Additional costs related to travel expenses may be incurred. Fundraising will be done as needed to help offset the cost to the league and families. Team Managers are expected to participate in fund-raising activities.
