

## Las Vegas Little League – Registration Fee Transparency Sheet (2026 Season)

Dear Parents/Guardians,

To help you understand how your registration fees are used, we've broken down the costs and resources your contributions support. Our goal is to keep participation affordable while providing a safe and fun experience for every child.

### 1) Player Registration Fee

**What it costs the League per player: Amount: \$138.44**

**What parents/guardians Pay: Registration fee (Early Bird) Amount: \$75.00 (per player)**

**What parents/guardians Pay: Registration fee (After January 31st) Amount: \$90.00 (per player)**

**Covers:**

Item	Description
<b>Uniforms &amp; Gear</b>	Team jersey, hat/bow, Official Little League patch, pins
<b>Field &amp; Equipment</b>	Field maintenance, chalk, bases, practice equipment, balls, cones, and team equipment. Equipment (e.g., catcher's equipment, helmets, bases, etc).
<b>Insurance</b>	Accident and liability coverage required by Little League International.
<b>League Operations</b>	Administrative costs, volunteer coordination, scheduling, and communications, Umpires, District Dues
<b>Training &amp; Resources</b>	Coaching manuals, umpire resources, and player development materials.

### 2) Affiliation / Charter Fee

- Paid by the league to Little League International for official sanctioning.
- Provides: rulebooks, official materials, online resources, and league support services.
- **Included in your registration fee** — no additional charge to parents for chartering.

### 3) District Dues

Item	Description
<b>District Dues:</b>	\$10.00 per player (set by the District Administrator)

Break down **per player for 311 players:**

1. **Uniforms:**  
 $\$15,577.42 \div 311 \approx \$50.11$  per player (Allstars not included)
2. **Field Usage:**  
 $\$11,154.00 \div 311 \approx \$35.86$  per player
3. **Charter & Insurance:**  
 $\$3,207.00 \div 311 \approx \$10.32$  per player (Allstars not included)
4. **District Dues:**  
 $\$3,110.00 \div 311 \approx \$10.00$  per player
5. **Umpires:**  
 $\$10,000.00 \div 311 \approx \$32.15$  per player

**Total per player:**

$\$50.11 + \$35.86 + \$10.32 + \$10.00 + \$32.15 \approx \$138.44$  per player
