

2023 DSA 10U Division Rules

Official Little League Baseball rulebook rules shall be followed where not defined or altered in this document.

GENERAL GAME RULES

1. All minor division players must reach the age of eight (8), nine (9) or ten (10), but no more than age ten (10), before May 1 of the current year (season). A younger player from the Lob Division may play in the Minor Division provided the player's coach and representative league believe the player is capable of competing at the Minor Division level and it is safe for that player to do so. No such player can play in the Minor Division all season and then play in a Lob Division post season tournament. Any player that is moved up from the lob ball division (7-8) to substitute for a team that is short of players may only do so 6 times total for a season.

2. Games will last 6 innings. In case of a rain-out, 4 completed innings will constitute a complete game. In the event the home team is winning after 3 ½ innings, then 3 ½ innings shall constitute a complete game.

3. The base line shall be 60 feet.

4. The distance from the back point of home plate to the front of the pitching rubber shall be 46 feet.

5. No Jewelry of any kind shall be worn. EXCEPTION: Medical ID's are allowed.

6. Mercy rule:

a. If the winning team has 10 or greater more runs than the losing team, and the winning team is the home team, then the game is over after 3 ½ innings. If the winning team is the visiting team, then the game is over after 4 innings.

b. If the winning team has 10 or greater more runs than the losing team, and the winning team is the home team, then the game is over after 4 ½ innings. If the winning team is the visiting team, then the game is over after 5 innings

7. In the event a game is being played on a field that has another game scheduled on the same field immediately following the game being played, the game shall last one (1) hour and forty-five (45) minutes, with a hard stop at (2) hours. In the event there is no game scheduled on the same field immediately following the game being played, the game shall last (1) hour and forty-five (45) minutes, with a hard stop at (2) hours and (15) minutes. If in either scenario the hard stop is used and the home team has not had a chance to bat, then the score will be used from the previous inning. Whichever team was in the lead at that point will be declared the winner. If the game was tied at that point, then, the game ends in a tie. No inning will be counted towards pitchers in the last inning played if the revert back rule is used. That includes an incomplete inning with the home team in the field. **THIS RULE SHALL NOT APPLY DURING TOURNAMENT PLAY.** This rule shall not impact the safety of the players and coaches. The umpires shall retain authority to end the game due to weather, lighting conditions or other safety concerns and General Rule 3 shall apply. Should the game end in this way and there remains a tied score, the game will be over and end in a tie. The umpires shall note

the game start time after the first pitch in the top of the first inning. In the event that the umpires shall fail to note the time, it is the responsibility of each of the coaches, both home and visiting, to establish the start time by asking the umpires. In the event that there is a failure of the umpires and the coaches to note the start time of the game, then the scheduled start time of the game shall be used as the official start time of the game. For the purposes of this rule, an inning begins (starts) when the final out of the previous inning is made.

8. No steel cleats may be worn in this league.

9. All bats shall display the USA Bat stamp. The following bat has been deemed "decertified" by the USA bat standard. 30-Inch Easton Ghost X (-10) 2 5/8" (YBB18GX10 & LL18GHX)

10. It is required that all catchers wear protective cups. It is recommended that all players wear protective cups.

11. No game shall start, or continue, unless each team can and does field and play eight (8) players. In the event a team fails to have eight (8) available players to start or continue a game, then a forfeiture shall be called, and the opposing team shall be declared the winner of the game, recording a score of one (1) to zero (0). If a shortage of players occurs for a game a replacement may be chosen from the Minor Division (See General Game Rules 1). If a team starts a game with 8 players and that team is at bat, when the ninth players at bat is up an out shall be taken during tournament play only. This rule shall not apply during the regular season.

12. If a game cannot start at the scheduled start time due to one of the teams having less than eight (8) players available to play the game, there shall be a ten (10) minute waiting period to allow additional eligible players (See General Game Rules 1 & 12) to arrive at the field to play, or a forfeiture shall be called, and the opposing team shall be declared the winner of the game, recording a score of one (1) to zero (0).

13. Any player or coach who is ejected from a game shall also be required to sit out their next scheduled game. Coaches are responsible for their teams' fans and shall suffer the same penalty for ejection if due to the behavior of those fans as if the behavior was their own. The Commissioners of the participating leagues shall meet to determine if General Game Rule 14 should be applied as written, or modified for a greater or lesser penalty, based upon the facts and circumstances of the particular event resulting in game ejection. The Commissioner of the league from which the offending coach or player originates shall recuse themselves from any vote associated with the enforcement and modification of General Game Rule 13.

14. The coach may deny the right of a player to participate in a game for disciplinary action or unexcused absences from practice. The coach shall submit a complete roster to the opposing scorekeeper before the game. The coach should then designate players who are being disciplined.

15. Official scoring will be that of the home team scorekeeper and it is up to the visiting team to confer with the home team between innings.

16. No infield practice before games. EXCEPTION: If both home and visiting head coaches

agree AND both teams are granted equal access to the field for infield practice AND the game can begin at the time originally scheduled on the schedule (or any subsequent rescheduling occurring before the day of the game) following such practice, then infield practice is permitted.

17. No team may score more than six (6) runs in a single offensive $\frac{1}{2}$ inning. In the event a team shall score six (6) runs in a single $\frac{1}{2}$ offensive inning with less than three (3) outs, the $\frac{1}{2}$ inning shall immediately end, regardless of the number of outs the defensive team has achieved, and the teams switch from offense to defense, and defense to offense.

18. The post season tournament shall consist of possibly 3 separate single elimination tournaments depending on the number of teams in the league.

A. The Gold bracket shall be comprised of teams from each division based on final records. In the event of a tie in winning percentages, the tie breaker rules (para. D) shall be used to break the tie. The number of teams in this first bracket will be dependent on the number of teams registered for the regular season. The commissioners of the respective participant leagues shall decide the number of teams for Bracket number 1.

B. The Silver bracket shall be comprised of the remaining teams not selected for the gold bracket. The teams playing in the silver bracket shall be assigned seeds based upon their records within the division. In the event of a tie, the tie breaker rules (para. D) shall be used to break the tie.

C. The Bronze bracket shall be comprised of the remaining teams not selected for the gold or silver brackets. The teams playing in the bronze bracket shall be assigned seeds based upon their records within the division. In the event of a tie, the tie breaker rules (para. D) shall be used to break the tie.

D. The tie breaker rules shall be applied in order, until the tie is broken.

- i. Wins
- ii. Losses
- iii. winning percentage overall record
- iv. coin flip

THE BATTER

1. All players for a team that are available to play at the beginning of a game shall bat and be in the line-up, regardless of whether the player is playing a defensive position, or what defensive position the players is playing.

2. Drop Third Strike Rule: This rule shall not apply to the Minor Division.

3. A batter may not throw the bat. If a batter throws the bat, the team for which the batter is playing for receives a warning. Any other player from the same team who later throws a bat shall immediately be called out. If the infraction occurs after the ball is batted fair and is in play, the play proceeds normally for any other players who are on base, with the exception of force plays. With the batter being called out, there is no longer a force play at other bases and a runner must be tagged before reaching base safely to be out.

4. Re-entry Rule: This rule is inapplicable to the Minor division as all eligible players at the

beginning of a game are required to be placed in the line-up. Players who were not assigned a defensive position (bench players) at the start of the game can be substituted freely to any defensive position with the exception of pitcher, which is addressed in the Pitcher Rules. The batting order remains unaffected and unchanged from the batting order established at the beginning of the game.

5. Slash bunting is prohibited. A slash bunt is defined as a batter squaring and showing bunt after the pitcher has his foot on the pitching rubber, pulling back the bat, and then swinging at the pitch. A violation of this rule results in a dead ball, the batter is out and any base runners may not advance regardless of whether the batter made contact with the pitch. See also DEFENSE Rule 4.

6. If an illegal bat is used that does not fit the description in rule 9 under "General Game Rules" the following will occur.

1. First violation - upon discovery that the batter is using an illegal bat, when the batter has one foot in the batters box the defensive coach shall alert the umpire of the violation. If the bat is found to be illegal the bat shall be called out. The head coach will be limited to the dugout.
2. If the batter hits the ball and an illegal bat is used the batter shall be called out. If any runners were on base they shall return to the base they were on before the ball was hit. The head coach will be limited to the dugout.
3. If the batter strikes out or walks, the out remains and the first violation is still put into place.
4. Second violation - the head coach and the player using the illegal bat will be ejected from the game. The batter will be called out and any runners on base will return to the base they occupied before the at bat. Both the player and coach will also sit out the next game.
5. The defensive coach is given the opportunity to accept the outcome of a play if the ball is hit with an illegal bat or take the outs as previously described.

THE RUNNER

1. A base runner may not lead off the bag, nor leave the bag after the pitcher has touched his foot to the pitching rubber before the ball crosses home plate.

2. A runner may steal any base after the ball crosses home plate.

3. The first time a runner leaves a base early, the team for which the runner plays shall receive a warning and the runner shall return to the base from which the runner had left too early. If any runner from the same team so warned leaves the base too early, the violating runner shall be immediately called out.

4. All runners must avoid contact at all bases. Violation of this rule shall result in an out (umpire discretion), and no warning is necessary. 'Avoiding Contact' is defined as sliding, going around defensive player or giving yourself up. From a Coaching standpoint, it is best to instruct players to slide in all situations where contact is possible.

5. No appeal is needed on missed bases. The umpire shall call them out, if viewed, after the play is dead.

6. Courtesy Runner Rule: A team may use a substitute runner for that team's catcher when there is two (2) outs in the inning and the catcher is on base (runner). A team may not use a substitute runner for any other position player. If a runner is injured while running the bases, a substitute runner may be used. If a courtesy runner is used for an injured player, the injured player may not return to the game until after one (1) complete inning of sitting out, starting from the point of the substitution and injury, and lasting through the next half inning's three (3) outs. (An Inning in this situation is defined as the remainder of the inning in which the injury and substitution took place, plus the 3 successive outs in the next one-half inning.)

7. When the pitcher's foot is in contact with the pitching rubber (or equivalent), runners may not advance until the pitched ball crosses home plate. If a runner has not made a commitment before the pitcher is in contact with the pitching rubber, and nonetheless is off the base, the umpire shall call time, the play is dead, and the runner shall return to the last base legally touched.

THE PITCHER

1. A pitcher may have no more than four (4) pitches to warm up, on the mound, between innings. EXCEPTION: A pitcher entering the game as pitcher for the first time shall have eight (8) pitches to warm up.

2. A player may pitch a maximum of 3 innings per game.

3. If a pitcher throws a single pitch in an inning, that inning is counted as one inning against the game maximum for that pitcher. There is no limit on how many innings a pitcher may pitch in a week.

4. The pitcher must be in contact with the rubber while delivering the pitch.

5. The pitcher shall be pulled from the pitcher's position after a coach (head or assistant coach) has made two (2) trips to the mound in the same inning.

6. A pitcher must be relieved by a different eligible pitcher following the striking of a batter or any combination of batters by a pitched ball for the third time in a single game.

7. A pitcher may not return to the pitcher's position in the same game after being relieved from pitching.

DEFENSE

1. Infield Fly Rule: This rule is not in effect for the Minors Division. All batted balls must be played.

2. Minor Division shall use ten (10) defensive players, using the "extra" or tenth (10th) player as an additional outfielder. There is no restriction as to where in the outfield this extra player can be used.

3. Each rostered player shall play in a defensive position in the field at least two (2) completed innings per game, unless disciplinary action is necessary by the coach. In the event of disciplinary action,

the coach must submit the reason for disciplinary action to the opposing coach when exchanging rosters for the game before the game begins. Any player not subject to disciplinary action and not playing two (2) completed innings shall start the next scheduled game and play at least three (3) complete innings. There will be NO EXCEPTION to this rule. If a team violates this rule, the head coach of the offending team shall be suspended from the next scheduled game with review, as defined and described by General Game Rules 14.

4. Bunt Fielding: The first and third basemen may not charge to field a bunted ball past the pitcher's mound until the batter makes contact with the pitch. See also THE BATTER Rule 5.
