

Dear Families,

Federal Way Football Club (FWFC) is an all-inclusive soccer community that offers both recreational and competitive soccer experiences for its members. FWFC has three levels of play for children (boys & girls) ages 7 to 19 years of age:

- Recreational
- Select
- Premier

Additionally, FWFC works in direct partnership with the Federal Way Mod Soccer Club to offer supplemental professional coaching & programming for children ages 5-11 who are enrolled in the FW MOD fall & spring seasons.

If your child is passionate about soccer, and you feel he/she is at a stage in development that requires a higher level of coaching & competition, please contact Fawzi Belal (FWFC Director of Coaching), at belalfawzi11@gmail.com and he will schedule a time for your child to be properly evaluated for placement in either the Premier or Select program. One of the missions of FWFC is to ensure every player is provided the opportunity to play soccer in a "Like vs. Like" environment that develops the whole child (based on age and ability). This evaluation period is a unique element and critical in the development/placement process.

FWFC is quickly developing into one of the top clubs in the state of Washington. We have cutting-edge programs for all ages and abilities, with our top players competing in the most competitive league in the state. Furthermore, our curriculum is focused on developing players at each age group in order to instill a life-long passion for the game of soccer.

Our goal at FWFC is to provide equitable access to soccer for *all* members of the Federal Way community, and to identify gifted players that aspire to participate at a higher level. Once again, we accomplish this goal in a variety of ways:

- Open enrollment for Premier & Select soccer throughout the year
- Technical training for all players, regardless of their current levels/teams
- The Soccer in Schools program for all FWSD Elementary schools
- A rigorous soccer curriculum for all coaches, centered around player development
- Continuing education courses for all coaches (both professional & volunteer)

Once again, if you are interested in learning more about FWFC, or, if you would like to receive a free evaluation for your son or daughter, or if you are interested in becoming a part of the FWFC coaching staff, please contact Fawzi Belal via email at belalfawzi11@gmail.com.

Sincerely,
Fawzi Belal
FWFC Director of Coaching
