

Copper City Softball is excited to announce that we are kicking off a campaign to raise money for field and facility improvements for the upcoming 2023 season. The goal of our campaign is to raise \$50,000. We need your help!

Copper City Softball Little League was established in 2017 and is the first dedicated softball little league in Butte. Our mission is to provide quality instruction at all levels while focusing on sportsmanship, teamwork, competitiveness, and fair play. The league is committed to fostering the love of the game in a positive, competitive, and fun environment. In 2017, we had less than 100 girls join our league. During the 2022 season, we had over 270 girls play on 26 teams! It is a dream come true for girls' softball in Butte.

During our beginning years, we were content having any type of fields to play on and a place we could call home. As we continue to grow year after year, we are finding that our current facilities are in desperate need of upgrades. The playing surfaces on our current fields are extremely hard and there is an overgrowth of vegetation on the infields. The fencing around all three fields is unstable and needs to be replaced. Our bathrooms are not functional. The dugouts need upgrades, and the concession stand needs a new roof.

We are working very closely with Butte Silver Bow, local engineering firms, and local contractors and have come up with a plan to make main of the necessary upgrades before the 2023 season. We are asking for your help to make this a reality. We are a non-profit entity, and all money donated will go directly to the costs associated with up grading our facilities. We have structured our sponsorship packages into levels:

### **Grand Slam Sponsor**

- **\$5,000 and above**

### **Homerun Sponsor**

- **\$4,000 to \$4,999**

### **Triple**

- **\$3,000 to \$3,999**

### **Double**

- **\$2,000 to \$2,999**

### **Single**

- **\$1,000 to \$1,999**

### **Bunt**

- **\$0 to \$999**

- **All sponsors that give over \$1,000 will have their business' name on a metal sign that will be posted at the fields. All sponsors, regardless of donation amount, will receive a sign to place at their place of business.**

If you are willing to sponsor Copper City Softball, please fill out the attached form and return it with payment. Please accept our heartfelt thank you for supporting our league. It truly is something very special and we would not be able to make this league a reality without your support.

Sincerely,

Copper City Softball Little League
