Dear Sponsor:

With spring just around the corner, Laurel Little League is actively planning the 2026 baseball and softball season for boys and girls in our community from age 4 to 16. We had around 500 youth participate last season and are hopeful that even more will join the fun this year! It is only because of the generous support we have received from local businesses that our Little League is available for the youth of the Laurel and Park City area. We are asking for your support.

Laurel Little League is a non-profit, 501(c) 3 organization that is run entirely by volunteers. Our operating funds are provided from three sources. Player registration fees, support from our sponsors, and business donations. Player registration fees are used primarily to pay for insurance for players and coaches, as well as some of the equipment needs and field maintenance.

Thank you for your generous support of the youth of Laurel! We hope you can attend some of the games during the season! If you have any questions or special requests please call or text Bethany Haan, sponsorship coordinator, at (406)697-9569.
