All CCYS 7th-12th Grade Team end of the season double elimination tournament
(Saturday-Sunday)

Game Time

k/1st Grade games have four 10-minute quarters with a five-minute half-time break which teams will then switch sides of the playing field (Coaches don't switch or cross sides). Two-minute breaks are given between each quarter. Players can only be subbed during the two-minute break or halftime break (subbing out a player due to a medical reason is done by the ref). If the coach steps onto the playing field during a game in play, the "injured/a player" must then come off the field, no exceptions. Refs will call on the coach if assistance is needed for an injury. No timeouts. No borrowing players from other teams, counts as a loss (game will play on if borrowing). Coaches will be on one side of the field and spectators on the other side. No wearing football cleats, earrings or jewelry. No Dogs, smoking/vaping or drugs at any practice or game. Games will be played as scheduled "rain or shine." Please see the rules and reminders that are posted on our Facebook page and website.

Reminders:

- *No Dogs or pets allowed at any CCYS event or activities at all (not at practice or games)
- *If a field supervisor trespasses you off the property, you cannot come back.
- *Only registered players can participate and only at the correct/approved grade levels.
- *Teams have set caps so that everyone gets good playing time (attendance, participation, discipline and sportsmanship matter).
- *Uniforms are required during games (no modifications) raincoats etc.... can be worn under the playing uniform.
- *Games/practices are always rain or shine, no rescheduling. No make up games or playing against other nonscheduled clubs/teams etc....
- *Our insurance and policy are strict. If you scrimmage or play a non CCYS approved team/ "make-up game" or out of season game; your team will not be eligible to play in the end of season

tournament/coach will be removed and team dropped from the regular seasons game schedule pending review.

*Please don't attend if you're sick (if you miss school, please don't attend).

*No smoking, no drugs or alcohol at any CCYS events, in our parking lots or activities.

*When the locked in game schedules come out, games are played to that schedule (no makeup games). Due to insurance requirements, legal concerns and policy, CCYS teams will not have pickup games or practice with teams that are not affiliated with CCYS.

*Teams that scrimmage at practice can only do so against the same grade level/CCYS team. The coaches will keep this time as a learning experience such as stopping the play to get players in position, reminders, practice a play or redo a shot etc. so that it's not an official game. Field space needs to be considered/approved as we have many teams overlapping in the same areas.

*Please take a moment to thank your players dedicated Coach for volunteering to help the youth in a positive and encouraging environment.

*CCYS has an end of season double elimination tournament for all 4th-6th grade CCYS teams.

*CCYS has an end of season double elimination tournament for all 7th-12th Grade CCYS teams.

Brackets are formed as the season progresses.

* Only one coach and one pre-approved assistant coach are allowed on the "players/coaches" side during games (no extra family, sibling multiple volunteers etc..).

*No coaching from the parents' side of the playing field.

*No sitting or coaching from behind the soccer goals.

*No Dogs or pets allowed at any CCYS activities at all.

*Many youth/players and volunteers help assist with reminding/educating families/friends/adults/ and communities about the rules. If our volunteers report back that you didn't comply or etc... a field supervisor may require you to leave the premises.

***Please share the above rules with your soccer family and visiting friends!**

See our Facebook page "Coos County Youth Sports" and our website for additional rules, news and game play information.

Early Fall 2026 Soccer Registration Will Open May 1st at www.cooscountyyouthsports.com (Practice starts mid-September) Teams fill up fast so please register early to get locked in.

**Thank You-
CCYS**
