Dear Potential Sponsor,

Central Valley Youth Falcon Football and Cheer (CVYF) would greatly appreciate your support during our 2021 season. CVYF is a local recreational non-profit program that participates in the Sacramento Youth Football (SYF). Our organization serves approximately 180 families in our community.

We offer boys and girls ages 6-14 the opportunity to participate in football or cheerleading as a recreation and as a means to develop sportsmanship, teamwork, responsibility, and respect for their community. Your support is greatly needed to maintain our program and will be used to purchase equipment, uniforms, hire referees, field maintenance, insurance, and dues. All coaches, board members and support crew are volunteers and donate their time to provide children with this after-school opportunity. We hope you will consider becoming a proud sponsor of the Central Valley Youth Falcons Football and Cheer Association.

SPONSORSHIP PACKAGES:

_____ \$800+ **Touchdown** receives recognition spotlight on CVYF website, a banner promoting your business posted at all home games, a plaque with our league photo, and free entry to all home games.

Thank you for supporting Central Valley Youth Falcons!

The mission of the Central Valley Falcons Youth Football & Cheer organization is to facilitate a physical fitness program where young athletes can develop a sound mind, fitness, and good moral character. Through personal effort, teamwork, sound discipline, and accountability, athletes are encouraged to adopt the values of self respect, respect for others, and respect for rules, which can have an enormous positive impact in life, both in the present and in the future.
