Dear Community Patron,

The Chico Junior Panthers (CJP) Football and Cheerleaders are preparing for their upcoming season and humbly request that you consider donating to our organization.

CJP is a non-profit organization serving the community youth with over 50 volunteer Coaches and Board Members. There are no paid positions within this organization, so rest assured your donations go 100% back to the kids!

Each year we strive to keep the enrollment costs as low as possible. And we have a hefty goal of never turning away any child for lack of enrollment fees. We need your help to cover the cost for equipment and uniforms. The cost for these items is in excess of \$500 per participant. Your sponsorship and/or donation will cover fees, uniforms, equipment, etc. Your support will provide them the opportunity to join an organization focused on helping today's youth to grow into well rounded, confident, hard working members of our community.

There are several levels of sponsorship detailed below. Please cut off the bottom portion & return with your information & payment. We will be in contact for advertising info.

All checks should be made payable to: Chico Jr Panthers
