Social Media Contract

Gridley Titans Youth Football & Cheer association Social Media Policy was established to provide guidelines on appropriate interaction across all social media platforms to include but not limited to; Facebook, Instagram, Twitter, YouTube, Snap Chat, TikTok, GroupMe, Band App or any other team platforms for communication, etc. We recognize that conversations, posts, blogs, and such occur across these platforms that relate to the Gridley Titans organization, our youth, and our community. If you choose to have a Social Media program, you are expected to represent the Gridley Titans in an honorable fashion. Any obscene remarks or media misconduct will not be tolerated and may result in suspension, benching, or termination from our association. No parents or players are allowed to engage in “trash talk” to coaches, teammates, opponents, players, classmates, etc. through social media. “Tweeting” or “Posting” negative information or ‘cuss’ words will result in disciplinary actions and the player forfeiting their eligibility.

We encourage our Gridley Titans community to share content in a constructive manner. When posting any social media content, we ask that you follow this simple guideline: If your post would embarrass the Gridley Titans, a player, cheerleader, coach, volunteer and/or board member or calls into question anyone’s reputation, PLEASE DON’T POST IT. As an organization, we welcome constructive feedback and provide the appropriate channels to provide GYFC with this feedback. We strive to create a positive environment for our youth to enjoy the sport of football and cheer. As an all-volunteer organization we do our best for our youth and recognize that from time to time we can improve in any given area. We hope that you understand our position that no one in the GYFC community deserves to be embarrassed or have their reputation called into question on any social media platform. GYFC reserves the right to reprimand players, cheerleaders, parents, coaches, volunteers, board members or any member of the GYFC community as it sees fit for not adhering to our social media guidelines. Thank you for your understanding and support in making our discussions online a productive and enjoyable experience for the entire GYFC community.

By signing below, I agree that at no time will I post any negative comments on any social media toward **GRIDLEY TITANS YOUTH FOOTBALL AND CHEER** or any other **SACRAMENTO YOUTH FOOTBALL Association**. Doing so will result in the loss of privilege to attend all events to include but not limited to practices, games, cheer competitions, banquets, and fundraising events for the remainder of the season, suspension or termination of the association.

All grievances are to be brought to the President, Yolie Davis or Vice President, Daniel Zumwalt of Gridley Titans Youth Football & Cheer.
