Dear Patron,

The Gridley Titans Youth Football & Cheer organization is a non-profit organization that supports, encourages, and enables the youth athletes in our community to enjoy the sport of tackle football and Cheerleading. We are committed to providing quality coaching and support that promotes teamwork, builds player self-esteem, and increases knowledge and skill in a safe and positive environment.

Gridley Youth Football and Cheer would like to humbly appeal to your generosity and asks you consider the opportunity to support our organization through sponsorship of our involved children. These kids are your neighbors and relatives. Soon they will be community members and the core of our socioeconomic structure. We (you and I) are responsible for building their character and establishing values in our youth that will lead to their success, which will in turn enhance our quality of life. They are future business owners, employees, politicians, parents, and community advocates. Please consider the impact we can make on our community by supporting activities in our area that promote, instill, and develop necessary habits and ideas in our next generation. Your generosity can change a life for the better. It can help a child to participate even though financially they may not be able to afford it. We will teach these youngsters the importance of sound decision making, timeliness, endurance, and competition. This program is a great vehicle for these children to experience life outside the home in a controlled and safe environment. I believe it will also be a lot of fun if they see it through to the end!

If you have any questions, please feel free to reach out to Yolie Davis, President of GYFC or Jacklyn Hospers, Treasurer of GYFC email at GridleyTitans@yahoo.com.

Sincerely,

Gridley Youth Football and Cheer Board of Directors
