*Official youth football & cheer program for Jesuit High School*

*ad maiorem Dei gloriam*

Hello Jesuit Jr Marauders Football and Cheer Family,

We would like to take this time to make everyone aware of where we stand as we enter into the 2021 season.

We share the same enthusiasm as everyone does in wanting to get back to the “grind” and the routines both in Cheer and Football. We must, as with all programs from school to athletics, wait for official approval from our elected officials and health care professionals. But...

Cheer is currently hard at work recruiting outstanding head coaches and assistants; football has been interviewing for your coaches for all levels; we have been blessed with some outstanding volunteers.

Your Equipment Manager has the shed cleaned, sanitized and counted and is earnestly waiting to get the all clear to begin purchasing new uniforms and more equipment. Your board has been planning for fundraisers and get-togethers so we may come together and yes, socialize.

What does all this mean; hopefully soon we will all be visiting the snack bar, dumping dollars into the touchdown jar, listening to some awesome music during half time, cheering on our awesome cheerleaders, pitching our shade structures in the stands, and putting on sunblock.

Win or lose this year during a game, we feel may take second place to just being able to encourage our athletes to do their best and have fun. From tackling, running with the rock, catching a pass, blocking, being in sync with the music in cheer, perfect timing with cheer routines and grinning from ear to ear wherever and whatever part of Jesuit Jr. Marauders you may find your athletes a part of.

We promise to keep everyone informed the same day we hear, “we are a go!”. Please stay safe and pray for our program, our families, and our community. **GO BIG RED!**

May God Bless all of you.

Sincerely,  
Anthony Clarke  
President – Jesuit Jr. Marauders and Cheer
