Colorado Ball Players Academy (CBPA) is your ticket to a better baseball environment with professional based training from a strategic alliance of organizations focused on training student athletes to become complete ball players. We work with your High School Coach to ensure your growth and development places you on the path to compete for a major role on your HS team and assist you in achieving your dream to play at the next level. We offer travel Elite Teams at the 16U,17U,18U levels as well as non travel Gamer Teams at the 15U,16U,17U,18U levels. Elite teams are selected on a tryout basis and Gamer teams via assignment. Our unique program allows each player and their parents to pick and choose from different training programs to accommodate their players needs as the student athlete who is preparing for HS and the next level. PARENTS, you control your money and how you want to allocate your funds to help train your player. Elite Team cost for the summer and fall season is \$6,000.00 which includes all expenses except transportation travel expenses for (4) out of state trips.
