Dear Managers and Coaches,

Congratulations on representing your district in the Georgia State Senior League Baseball Tournament. We are pleased to have Bartow County Little League as our 2026 host and trust you will enjoy your stay in Bartow County and the surrounding area.

The facilities at Manning Mill Park are excellent. The staff will take care of your needs and there will be a variety of ballpark food and drinks available.

Please e-mail me your affidavit and paperwork so that I can review prior to your arrival. I will also ask that you turn your book in before your first game so that I can sign off on the affidavit. Please make sure your paperwork is in order and your pitching affidavit from your district tournament is filled in and signed.

We look forward to an exciting week of baseball. It is a credit to your dedication and time that you have taught your players to work together, play together and hopefully to have some fun in a relatively short span of time. However, the tournament should end for your team, the memories of this experience will stay with your players for years to come.

Ultimately only one team will become the Georgia State Champion. Our Senior League State Champion will represent Georgia at the Southeast Regional in Largo, Florida July 24th- 27th.

Win or lose, every one of you are winners and a champion. These young men should come away from these games with the winning attitude that they played their best and had fun.

We look forward to working with each of you throughout the tournament. Good luck and have fun!

Sincerely,

Brenton Baggett, DA GA D1
