

West End Little League

Raising good athletes, better citizens

Sponsor ads are displayed on a banner on playing field fences – seen all season by the families of nearly 500 players. As a non-profit, your donation is tax deductible.

Help our children

The West End Little League (W.E.L.L.) is all about the children. As a neighborhood league, W.E.L.L. promotes and develops interest in baseball of the community's youth. It teaches children teamwork, citizenship, discipline and physical well-being.

Build our community stronger

It takes a village to raise a child. In our case, it takes a league. The West End Little League prides itself for promoting family values and providing a family-oriented atmosphere on and off the fields. By espousing the virtues of character, courage and loyalty, the little league program is designed to not just develop superior athletes, but to also develop superior citizens – which further strengthens the future of our community.

Parents who care

Our parents and our volunteers are the backbone of our organization. Hundreds of hours are donated every year for the well-being of our kids and our neighbors' kids. Leading by example, the adults in the league are good role models for the children they mentor.

Reach hundreds of families

With nearly 500 children playing in the spring, families visit our fields throughout the season to support their child and the league. From grandparents and parents to relatives and friends, your advertisement will reach many who will patronize the WELL sponsors.

It is through sponsorships that our non-profit organization is able to provide reasonable registration fees and maintain the fields for use. The West End Little League is a 501(c)(3) non-profit organization – meaning your generous contribution not only supports your community, it is also tax deductible.
