

Addendum to Article IX, Section 6 – Minimum Play (Minors and Below)

Effective immediately, Serra Mesa Little League defines its minimum play requirement for the Minors, Caps, Rookies, and Tee Ball divisions as follows:

*No player may sit out a second defensive inning until all players on the roster have sat out at least one defensive inning.*

Managers are responsible for tracking defensive participation and ensuring compliance with this rule throughout each game. This rule is intended to promote equitable participation and align with the developmental mission and spirit of Little League.

Failure to comply with this minimum play requirement may result in disciplinary action as determined by the Board of Directors.
