Dear Business Owner or Manager:

Please allow me to introduce you to Prince William Girls Fastpitch Softball. PWGFS is a fastpitch softball league oriented toward girls who are ages 5 – 16 and have a desire to learn and play fastpitch softball regardless of their skill level. We register girls from all over Prince William County, Virginia, and the surrounding areas. PWGFS is USA Softball-affiliated and is a stepping-stone to middle, high school, and even college level play. Volunteers from within the community manage our organization and serve as coaches and administrators. There are no paid positions. We are proud to have been certified by the Internal Revenue Service as an official non-profit 501(c)(3) company. As such, we rely heavily on private business donations to help us meet our operating costs so we can keep registration fees as low as possible, thereby affording many girls the opportunity to play. We are asking if your business would please consider sponsorship in our softball program. We offer different levels of sponsorship, all of which help to advertise your business and go a long way towards providing local area girls the benefits of playing softball. Please consider how our program benefits our girls:

- Girls who play sports have higher levels of self-esteem and lower levels of depression.
- High school girls who play sports are 92% less likely to be involved with drugs.
- High school girls who play sports are 80% less likely to have an unwanted pregnancy.
- Local area girls will learn achievement-oriented behaviors that include teamwork, goal setting, the pursuit of excellence in performance, and other critical skills necessary for success in the workplace and life.

Your generosity will be greatly appreciated and will help make our program one of the finest recreation activities for the young girls of Prince William County. I would like to mention the benefits your business will receive for each sponsorship level:
