

Dear Sir or Madam:

The Fort Ann Youth League provides a positive sports experience for all participants. We offer our community youth soccer, basketball, baseball and softball. The program focuses on skills development, sportsmanship, team concept, community involvement, parent involvement, and most importantly, fun for all participants. It is because of sponsors like you, that our programs are able to serve and enhance the opportunities of the Fort Ann youth.

In 2025, The Fort Ann Youth League focused on completing safety updates to our facilities and making improvements and upgrades to our fields. We refreshed all three fields with material on our baseball and softball fields. We also improved our walkway with upgraded stone between fields A and B and installed new fences on both baseball fields. In addition, helmet holders and cubbies were built and installed in all of our dugouts. We had the opportunity to purchase new equipment for our snack shack (The Hub). New and upgraded equipment continually needs to be purchased for soccer, basketball, and baseball/softball.

In 2026, our goal is to continue to upgrade our facilities so we are able to better provide our young people with a safe environment. We hope, with your support, we can expand on our already wonderful facilities. Our current plans include a field refresh on all three of our fields with new material, purchase of a tractor to keep at the fields, and build an outdoor basketball court. Your continued support will help to make our "Field of Dreams" project a reality for the benefit of our entire community. Thank you for helping us to continue making our dreams for the community to come true.

Please consider being a FAYL sponsor for the 2026 year. Please contact one of the Fort Ann Youth League Board Members or one of our Sponsor Coordinators for further information regarding our projects or for sponsorship information.
