Dear Potential Sponsor,

At Lake Elsinore Little League, we believe baseball is about more than the game—it's about giving local kids a place to grow, connect, and feel supported by the community around them. As we prepare for another season, we're reaching out to neighbors and local businesses who share that same commitment to our youth.

Who We Are

For generations, our league has been a place where kids learn teamwork, confidence, and love for the sport. We're a volunteer-run 501(c)(3) nonprofit, and each year more than 400 young athletes take the field because of the support of families, volunteers, and community partners like you.

Why Your Support Matters

Your contribution—big or small—helps us keep baseball accessible and safe for every child. Sponsorships and donations go directly toward:

- Maintaining our fields
- Providing equipment and uniforms
- Keeping registration affordable
- Creating opportunities for players at all levels

And of course, sponsors receive recognition and documentation for tax purposes.

How You Can Help

Inside, you'll find a few ways to get involved, including:

- Sponsorships with visibility on **LELLBaseball.org**
- Outfield signage at our fields
- In-kind donations
- Individual gifts
- Volunteer opportunities

Your support doesn't just help our league—it strengthens the entire Lake Elsinore community. We'd be grateful to have you as part of our Little League family.

With appreciation,

Board of Directors Lake Elsinore Little League
