

## **Important Message Regarding Club Activities – Return to Play**

The health and safety of our Smithtown Slammers Family continues to remain the utmost focus and importance to all of us. We hope all are staying safe and doing well during this difficult time.

Now that New York has begun to open back up, so has the soccer landscape! We have been given permission to return to our Town of Smithtown fields for modified training sessions only (NO GAMES). We have very specific mandates and phases that we must follow from Eastern New York Youth Soccer Association (ENYYSA). These phases are very specifically tied to the phases from our New York and Local governments.

Smithtown Slammers are committed to ensuring all players, trainers, coaches, and families will be SAFE during COVID 19 and as of such all Smithtown Slammers activities must follow very strict rules as we return to the fields. You will need to sign-up to return to play through our website. This process will be done by all players, team managers, assistants, and trainers. **The sign-up form contains a waiver that you will need to accept in order to return to play. No player, team manager, or trainer will be allowed to participate in any club activities if they have not completed the sign-up process.** This sign-up process does not replace the registration process, which will occur later this month.

Instructions for how to sign-up for Return to Play are located on our new website ([www.smithtownkickers.com](http://www.smithtownkickers.com)) and can be accessed in our *Return to Play...Guides and Instructions* page or by clicking on the following link: [Return to Play Sign-up Instructions](#). Please follow the instructions carefully and it should only take a few minutes to do the sign-up.

Please also take some time to review the guidelines for when we are on the field. That document can be found using the following link: [Guidelines for Return to Play](#). We have also posted the Eastern NY Schedule for Return to Play at can using this link: [ENY Schedule for Return to Play](#).

Your team manager will be scheduling your training sessions and will be reaching out to you shortly. Tryouts will be conducted over the next couple of weeks as part of the scheduled training sessions.

Any questions, please first contact your team manager. If you still are having difficulties, please contact the Paul Friedrichs, Travel Director, at [paul.friedrichs@smithtownkickers.com](mailto:paul.friedrichs@smithtownkickers.com).

We appreciate everyone's patience and understanding during these unprecedented times. Looking forward to seeing everyone on the fields again!
