COVID Guidelines and Protocols

MIA ELITE

Practice Procedures

- Players must complete the Health Assessment prior to attending practice or games. Please refrain from attending practice or games if any response to the Health Assessment questions is “YES”
- Parents are highly encouraged to wait in their vehicles during practice (not mandatory). If you want to stay on the fields, please wear a mask. It is important to our county park systems to see our league being as careful as possible.
- Coaches must wear masks. Players must use masks when possible. Please minimize contact. Use hand sanitizer before/after handling football

Game Day Procedures

- Must perform Health Assessment prior to arriving. Please refrain from attending if the answer is “YES” to any of the questions.
- Warmups 15 minutes prior to game time
- Follow field layout for entrance and exit and designated areas for teams. Spectators can only be on fields during their child's game time and must adhere to 6ft social distancing. Try to keep to 3 spectators max per player. Spectators can only be in their designated end zone area. Please see layout.
- Mask mandates for spectators will depend on county restrictions BUT we are highly recommending and asking to wear them. Players are to wear masks up until game time and on sidelines while not in play.
- MIA ELITE staff must always wear masks. (COACHES, OFFICIALS, and COMMITTEE MEMBERS). Only 3 registered coaches allowed on the sideline during the games and only the playing team’s coaches will be allowed. Absolutely no parents are allowed on any sidelines.
- Players must sanitize hands prior to game and during half time. Hand sanitizer will be provided.
- Game ball will be disinfected or swapped out during halftime as well.
- No shared snacks or drinks this season. Players must bring their own
- Committee Members will be wearing distinct clothing. Any issues or concerns should be brought to one of their attention.

Field Layout

COVID Guidelines

- Health Assessment
  - Is your child or anyone in the household experiencing COVID symptoms?
  - Has your child or anyone in your household tested positive or been exposed to someone who tested positive for COVID?
  - Is your child or anyone in your household pending a negative COVID test result?
  - Does your child have a temperature above 99 degrees?

  If the answer is YES to anyone of these questions, please keep your child home. Please immediately report any positive results to administration.

- Practice
  - Perform Health Assessment Prior
  - Coach must wear masks. Players must use masks when possible. Minimize contact. Use hand sanitizer before/after handling football
  - Maintain Social distance when possible

- Game Day
  - Perform Health Assessment Prior
  - Follow field layout for entrance and exit and designated areas for teams. Spectators can only be on fields during their child's game time and must adhere to 6ft social distancing. Try to keep to 3 spectators max per player.
  - MIA ELITE STAFF must always wear masks. (COACHES, OFFICIALS, and COMMITTEE MEMBERS)

COVID Guidelines

- Quarantine Protocol
  - If a player test positive on a team they must notify coach or administration. Team and opposing team of week prior will be notified. No personal information will be given only a notification of a potential exposure.
  - Positive player's team's game for the following week will be rescheduled. No team practices will be held for 10 days
  - Player can return after 10 days and player receives negative test result
- Rescheduling
  - FLEXIBILITY is key. Please understand that the situation this season will be fluid. We will make every attempt to reduce any inconveniences.

Contact us with any questions or concerns.
