

3/1/2026

Dear PBO Families,

We're excited to share that **Pinto, Mustang, and Bronco teams have officially been finalized**. Families in those divisions should have received an email from PBO with your team roster and your coach's contact information.

If you did not receive that email, please check your spam folder and then reach out to us if needed.

A link to [Important League Dates](#) has been added to our website. www.palosbaseball.org

Upcoming Important Dates:

- **Coaches Meeting – Wednesday, March 18th**
Additional information regarding the upcoming season and full game schedules will be available after this meeting.
- **Practice Games Begin – Saturday, April 11**
The first two games of the season are practice games.
- **PBO / Power Parade – Saturday, April 25**
Always a great community event and fun day for our players.
- **Season Completion – By July 1**
Sharing this now to assist with summer vacation planning.

Upcoming Divisions

- The **Pony draft** is scheduled for Thursday, March 5th
- **Shetland teams** are expected to be finalized by Sunday, March 8th

GameChanger Information

We highly recommend that families download the **GameChanger app** and log in using the same email address used for your PBO registration.

Please note:

Your team will only appear in GameChanger **after your coach imports the team into the app.** Once that step is completed, the team should automatically populate in your account.

Coaches will use GameChanger for schedules, updates, and team communication throughout the season, so getting logged in early is helpful. If you experience any issues accessing your team once it has been imported, please contact your coach and we can assist.

We're looking forward to another great PBO season and appreciate your support. More details to come soon from your individual coaches as we move closer to Opening Day.
