Sarah Focke  
Director, Kearney Welcome Center

Participants & Spectators,

On behalf of the City of Kearney, we are thrilled to have you here to compete at Patriot Park! This premier park has eight lighted fields, including two championship fields with added amenities. The soft and absorbent Colorado Gold infield mix makes for great playability. The spaciousness between fields is a quality that you will notice and appreciate. The park is beautifully landscaped with over 200 trees, numerous planting beds and grass berms outside the championship field fences. Eight outdoor and six indoor synthetic turfed batting cages allow for multiple players to get swings in before the game. Synthetic turf bullpens are located behind each dugout. Your experience will not be complete unless you try one of our famous Patriot Dogs at the concession stand.

Patriot Park serves over 2,000 local kids that participate in Kearney Little League Baseball, Kearney Travel Baseball, Kearney Girls Softball Association, Kearney Competitive Girls Softball Association, Kearney High Softball and Kearney Catholic Softball.

Have a great day playing ball and thanks again for coming to Kearney.
