Sarah Focke
Director, Kearney Welcome Center

Participants & Spectators,

On behalf of the City of Kearney, we are thrilled to have you here to compete at Patriot Park! This premier park has eight lighted fields, including two championship fields with added amenities. The soft and absorbent Colorado Gold infield mix makes for great playability. The spaciousness between fields is a quality that you will notice and appreciate. The park is beautifully landscaped with over 200 trees, numerous planting beds and grass berms outside the championship field fences. Eight outdoor and six indoor synthetic turfed batting cages allow for multiple players to get swings in before the game. Synthetic turf bullpens are located behind each dugout. Your experience will not be complete unless you try one of our famous Patriot Dogs at the concession stand.

Patriot Park serves over 2,000 local kids that participate in Kearney Little League Baseball, Kearney Travel Baseball, Kearney Girls Softball Association, Kearney Competitive Girls Softball Association, Kearney High Softball and Kearney Catholic Softball.

Have a great day playing ball and thanks again for coming to Kearney.

Pool Play Schedule**

PLEASE READ because this will help us keep on schedule.

Each team is predetermined as HOME/VISITOR one time each in pool play.

The higher seed will be HOME in bracket play. Dugouts are labeled but disregard the labels because we are not making teams switch dugouts before or after their games. HOME team is declared the “official book or Game Changer”, and this person will sit at the scorer’s table behind home plate. VISITOR team is declared the “scoreboard operator” and this person will sit at the scorer’s table behind home plate. This way the umpires and team manager can quickly report any changes or get their questions answered that speeds up the game. Time limit is 1:40 in pool play and the semifinal game of bracket play. Only the championship game will have a time limit of 2:00.
